News From St. Joseph Parish

Religious Education News
By Erin Lorch
 Director of Faith Formation

Greetings! I am thankful that the weather this past week did not affect having classes on Wednesday, January 10 or 17! I am excited to say that every classroom is now equipped with a TV, cart, and laptop to bring the online components of our new curriculum to each grade level. Word of Life is a curriculum written by The Augustine Institute and Ignatius Press, two very highly favored and reliable Catholic institutions. For not having a local Catholic school, we are extremely blessed to be able to provide a Catholic curriculum at the highest caliber that calls our children, parents, and catechists to conversion and transformation in Christ. Both the workbooks and online resources provide faithful Church teachings, but also show that the faith is relevant in today's modern culture. Parents have the ability to continue what is taught on Wednesdays in their homes by accessing the online resources. If used to it's fullest ability, we will witness a major transformation in our families and parish. I continue to pray for the deeper conversion of all of us involved in faith formation, that we would live exactly as Christ calls each of us to live.

All students in grades 8-12 are kindly invited to attend the Steubenville Conference in St. Paul, MN from July 26-28, 2024. This is a weekend you won't regret! Contact our Youth Minister, Jacques Bouli with any questions!

Congratulations to our 2nd grade class on their First Reconciliation. May the peace and mercy of Christ be with each and every one of you.

Blessings!

Erin

Appliance Project

Many thanks for the folks who have contributed to our "Appliance Collection" this week. We are about a third of the way to our goal. As we announced last week, we are preparing a house for a retired priest to live in so that we can have assistance for daily Mass at both parishes for much of the year. The house at 1011 15th Street has come to us through a generous gift from Tom Clary. Tom is presently remodeling the house but we do not have any appliances. We need a refrigerator, stove, microwave, dishwasher, and a washer and dryer. If you would like to contribute to this collection and assist us with this project, please drop your gift in the collection basket or drop by the office. Please clearly mark all contributions "Appliance Collection". Thanks for considering a gift to this project.

Use good judgment

With the increased numbers of covid, the flu and RSV cases, please use good judgment in deciding if you should attend Mass. If you are ill or do not feel well, please stay home and watch the Mass on livestream. When you are sick, your Mass obligation is no longer in effect.

A note from Fr. Hughes

On Thursday I will be leaving for two weeks for a winter warm-up. Fr. Ed Girres and Fr. Bruce Lawler and I have done this together for 30 years so I am looking forward to quiet reading, cards and great sunsets. While I am gone there will be several priests covering Masses. Msgr. Seifried will be here for daily Mass and Fr. Travis Crotty and Fr. Tom Flanagan will be covering weekend Masses. Please contact the office for any emergencies and Deacon Darwin will do his best to meet all needs.

Stewardship REPORT

There is a certain urgency in today's Gospel as Jesus calls His first disciples--Andrew and Simon, James and John. Each one follows Jesus *immediately*, unhesitating abandoning nets and boats and father and fellow workers. To what is Jesus calling me--at *this* moment, in *theses* circumstances? What will I need to abandon in order to follow Him?
