

Things the Body of Blood of Jesus
Does for Us as Christians.....

Our debt is paid, once and for all:

"So Christ was offered once to bear the sins of many. To those who eagerly wait for Him He will appear a second time, apart from sin, for salvation." (Hebrews 9:28)

We have the power to overcome the enemy:

"And they overcame him by the blood of the Lamb, and by the word of their testimony, and they loved not their lives unto the death." (Revelation 12:11)

We are forgiven:

"In Him we have redemption through His blood, the forgiveness of sins, according to the riches of His grace" (Ephesians 1:7)

We are spared from God's wrath:

"Much more then, having now been justified by His blood, we shall be saved from wrath through Him." (Romans 5:9)

We are being spiritually healed; one day even our flesh will be replaced with an incorruptible body:

"...who Himself bore our sins in His own body on the tree, that we, having died to sin, might live for righteousness—by whose stripes you were healed." (1 Peter 2:24)

Reflecting on the Word
A Hard Question

When the disciples came to Jesus with the request to dismiss the people to go find food, Jesus challenged them with the question: "Why do you not give them something to eat yourselves?" That question should haunt us today. More than enough food is grown to feed everyone on this planet. "Why do you not give them something to eat yourselves?" More than 60,000 people will die of hunger on this feast of the Body and Blood of Christ. Two-thirds of them will be children. "Why do you not give them something to eat yourselves?" Nearly one in five people worldwide is chronically malnourished—too hungry to lead a productive, active life. "Why do you not give them something to eat yourselves?" One-third of the world's children are significantly underweight for their age. "Why do you not give them something to eat yourselves?" The amount of money the world spends on weapons in one minute could feed 2,000 malnourished children for a year. "Why do you not give them something to eat yourselves?" Jesus is our living bread. It is his obvious intention that we be well fed. The Eucharist, a great gift from the same God that sent the manna in the desert, should strengthen the determination of both the hungry and the satisfied to do what it takes to eliminate hunger. If a person is in extreme necessity, he has the right to take from the riches of others what he himself needs.
