A WORD FROM OUR PAROCHIAL VICHAR

WITH FR. CELSO SINGSON

MEN'S CURSILLO WEEKEND

LAST OCTOBER 12 TO 15...

Thursday to Sunday, I travelled with fourteen other men who willingly accepted the Lord's invitation to be His friend & build an intimacy with God. I was there as Spiritual Advisor with other Leaders to help them open their minds and hearts through series of Teachings (Rollo) and celebrated the Sacraments in this journey of faith.

St. Clare Retreat House is in the middle of the woods by Santa Cruz Mountain. What a wonderful experience to be surrounded by trees and during the night, I clearly saw the stars scattered in the heavens. From the start, I perceived much anticipation through the candidates' eyes, the desire and hunger for God in their hearts. Little by little that desire was quenched by the teachings of the different leaders who stood before them, witnessing their faith and closeness to Jesus. For three days of inspiring and challenging messages sprinkled with other spiritual activities slowly opened their hearts and minds. The seed of God's presence finally sprouted to these men by the fruits of their smile and glow in their eyes. Filled with God's love and mercy they became that precious images, God wanted them to be from the very start of their journey.

Fr. Jeff and I are very grateful that two of our good parishioners willingly stood up and left their comfort zones to be part of this journey of faith. Andy Minker and Shiju John wholeheartedly accepted God's call. This coming weekend (October 26-29th) both their wives Martha Minker & Roshin John will be joining the Women's Cursillo Weekend. Let us pray for them.

A message

from St. Vincent de Paul Society

Dear Sisters and Brothers in Christ,

On the weekend of October 29th there will be a second collection for St. Vincent de Paul. We would appreciate any donation you are able to give.

Even though Silicon Valley is one of the richest areas in the world, many families and individuals in our community have been left behind. Many of these people seeking aid are homeless. As they struggle to get back on their feet, many come to St. Vincent de Paul for help and support.

Our small group of volunteers evaluates each request thoroughly. First, we ensure that their need is real by reviewing their bills, income, and that they have correctly applied for state and governmental support such as disability, unemployment, etc. Then we will try to find other sources of aid for them from local and state agencies. Can they get help from their own extended family? When all these options have been exhausted, then we will use your generous donation to assist the neediest.

It is through your continued support that we have been able to help many local families through their very difficult times.

Please make your check payable to: Queen of Apostles and
on the memo line write SVdP.

You can drop your donation in the baskets at Mass or donate online at:
<https://qofa.churchgiving.com/ws/opportunities/secondcollection>
or drop your donation in the mail box at the Rectory or mail it to:
Queen of Apostles, 4911 Moorpark Ave. San Jose, CA 95129

Thank you and God Bless,
Shannon, Terean, Marti & Dave

Dear Sisters and Brothers in Christ,

First and foremost, we at St. Vincent de Paul (and our clients) would like to thank you for your generous donations of food and money last year at Thanksgiving. Together, we were able to feed over 300 hungry people. *Last year, we did not receive a grant from the CRS Rice nor have received one this year.*

Last year, we helped 300 people with food, This year with all of the financial insecurity, the numbers might be much higher. Depending on the amount of food we receive, we will need to give grocery store gift cards of \$25.00 gift cards (for turkey and perishables) or 40.00 gift cards (for full meals). So if it is easier to give a card, please use one of the two denominations clearly marked with the amount. Checks are also welcome.

Make check to Queen of Apostles, in the Memo field enter "SVdP Thanksgiving". Please put the gift cards or check in an envelope, mark the envelope "SVdP" and drop it in the church mailbox at the Rectory. For food donations please put in boxes at the church, please make sure they will not be out of date until after 12/2023.

Here is what is needed:

Cornbread Mix
Canned Vegetables
Jello
Canned Cranberries
Canned Yams

Canned Gravy
Boxed Stuffing

Instant Mashed Potatoes

Prayer for Peace IN THE MIDDLE EAST

God of mercy and compassion, of grace and reconciliation, pour your Spirit's power upon your children in the Middle East: Jews, Muslims and Christians, Palestinians, and Israelis. Let hatred be turned into love, fear to trust, despair to hope, oppression to freedom, occupation to liberation, that violent encounters may be replaced by loving embraces, and peace and justice could be **experienced by all**.

Father, we pray for all those here in our USA for an end to hate crimes and all divisions. Direct leaders and those with power to exercise their authority well and use their resources for the good of those who are torn by this war and genocide. Comfort those who grieve the losses of loved ones, or await with patience for news of their safety and return. We place our trust and hope in you. May Mary Our Mother intercede for us. In Jesus' name we pray. Amen.

Let us extend the love of God to our brothers and sisters who are suffering and in desperate need of our aid. Here are some websites where we can make a safe donation. **Every penny and every prayer counts.**

SPEAK LIFE and LOVE into your Family! **First FREE CLASS Monday October 23!**

In the midst of the demands and struggles of ordinary life in your family, there are great opportunities for building lifelong relationships of closeness with your children!

The invitation for this growth unexpectedly comes at moments when you experience DISHARMONY and CONFLICT -- over anything from getting out the door on time, to messy rooms, undone schoolwork, friend choices, or chores. Normally, these conflicts are uncomfortable for us to handle and lead to separation and distancing. Naturally then, we either avoid them or try to control our kids by stepping in with authority - both of which create distance.

BUT THAT'S NOT THE ONLY WAY!

In a Speak Life Workshop, you will learn the compassionate skills of Nonviolent Communication (NVC) and be guided through a powerful shift in vision and strategy which will enable you to purposefully connect and build positive relationships with your children and family members every day. As you educate your kids to responsibility and resilience, you will also experience more authenticity, love, joy, patience and wisdom --instead of that struggle and distancing!

Speak Life: Family Connections is an 8-week online workshop which provides a supportive and interactive environment where you will raise your awareness and gain a new seat from which to LEAD as a parent. You will learn how to change your family dynamics - inviting shared vision, cooperation and harmony with small, purposeful actions that powerfully align with your deepest values.

Classes are offered evenings on Zoom (75 mins/week) and are recorded for flexibility. Each workshop includes in-class exercises, opportunities for practice and reflection at home, and private interaction with Carol through Google Classroom, tailored to YOUR specific challenges.

AND THERE'S MORE! Even after you complete the program, you can stay connected with a community of like-minded parents to refresh your perspective and receive individual coaching at *Free* once-per-month *Speak Life Conversation Nights!*

Workshop dates: (8:15-9:30pm) Oct 23, 30, Nov 6, 13, (skip 20), 27, Dec 4, 11, 18

Cost: \$299/individual or \$450/couple

--"This is the most useful workshop I have ever attended!"

--"Speak Life has been a revelation for me personally as well as for my parenting. I'm learning to understand myself better and how that affects how I am with my family. That, in turn, helps me be able to be present and empathize with my kids. Carol is an awesome teacher and her wisdom and guidance throughout the learning process are priceless."

--"This workshop has put me on the right track to increasing positive, empathetic communication with my family."

--"This program came into my life at just the right time, and it helped me get past a major roadblock in a key relationship. I really appreciate Carol's delivery of the material."

--"This was one of the most important courses I have ever taken. I wish I had taken it sooner - ideally when I was young."

--"I've taken the NVC course and watched Carol share and spread its concepts and practice in our school community. NVC has continued my personal journey into being a clearer, more grounded, compassionate, inclusionary person and continues to inspire me to be the best kind of human being. "

--"You will learn in a very supportive environment that is judgment-free and filled with real life examples with solutions. Both my husband and I found this to be the best thing that we did for ourselves and all our relationships."
