Fr. Mike's Corner for May 23th.

So how do we open the door to the Holy Spirit? First, we say, "Yes, Lord, enter into my heart." We go to confession on a regular basis, too, because God doesn't want us in a state of sin. If you don't see the need to go to confession, that's normally a warning flag saying you are in darkness. So go to confession. After confession, ask for the gifts God wants to give you and how to use them. Piety is giving God what is due to Him. A wise person sees things as God does. Fortitude gives us the courage to stand with God even to the point of shedding our blood for him. Yes, God will call some of us today to be martyrs. Red martyrs die for Our Lord and white martyrs suffer many trials for him although they don't actually die for Him. Charity seeks out the good of even our enemies. Knowledge of God tells us what God wants and helps us see if someone is indeed speaking for Him or not. Do we ask for these gifts?
