A MESSAGE FROM FATHER

The Parish Synod

We held our Parish Synod Meeting last Tuesday. As you may recall, each parish throughout the world has been asked to give input to Pope Francis regarding our Church and parish life. Our discussion was excellent.

Bishop Folda asked all of our parishes to participate. We were given a list of 16 questions to discuss. We sent the list of questions to parishioners by email so they could review them before our meeting.

We had a very low turnout, but our discussion was most interesting and helpful. We discussed the concern of Mass attendance by people under the age of 50. A parishioner shared that we need to teach our people more about the Real Presence of Christ in the Eucharist; to come to a deeper appreciation of the Mass.

We also discussed the demands young families have regarding their demanding schedules. We talked about the influence of the Internet and social media. A concern was shared about the past abuses of the clergy. Another talked about how some have turned away because they have been shamed by a priest as an engaged couple or in the confessional.

How do we welcome people that come through our doors? Before Mass starts, when sitting **next to someone we don't know, is there any attempt to acknowledge them or extend a brief greeting?** One suggestion is that we bring back coffee and donuts after Masses. That would be a great opportunity for people to get to know each other.

We also heard about the appreciation of our priests here at Holy Cross. We talked about the need for more priests and to pray for vocations.

I sensed the deep love and compassion parishioners have for their faith and our parish.

The evening was thought provoking and worthwhile.

If you would like to participate in giving input for the Synod, there's still a way you can do that. You can fill out a survey online at the website for the Diocese of Fargo.

<https://fargodiocese.net/synod>. Or you can do a search by typing in the word synod. It will bring you to the right page to fill out a questionnaire.

I am grateful for this opportunity to involve our laity throughout the world to participate in the Synod.

Oremus

Do you find it easy to pray? Do you hear God's voice in your daily life and know how to respond? For most of us the answer is no, and we struggle to find even a few minutes every day to pray. The good news is that you can overcome these difficulties. Oremus teaches you the essentials of an effective and fruitful prayer life. Over eight weeks you will learn the simple yet profound steps of Catholic prayer. Following Church Tradition and the wisdom of the saints, you will learn to talk to God and hear his voice in Scripture, in your heart, and in ordinary moments. You will become more aware of his close presence, will learn to overcome distractions and dryness, and will recognize desolation and consolation as normal prayer experiences. As you grow closer to God, you will also grow in your relationship with those around you.
