A MESSAGE FROM FATHER

Cross Catholic Outreach

Next weekend, Fr Anthony Savarimuthu will be here representing Cross Catholic Outreach. It is a charitable organization to reach the poor and vulnerable throughout the world. The goal is to transform lives in developing countries by delivering food, shelter and hope for the poorest of the poor.

Holy Land Tour

Our Holy Land Group Tour will begin on Monday, October 2nd. We will return on October 12th. With the 3 tour guides and myself, there will be 85 of us on the trip. I will keep you in my prayers as we visit the holy sites in the Holy Land.

Church Building Project Update (as of September 20, 2023)

Our construction manager said that we are on schedule with our building project. The goal right now is to get the church enclosed so work can be done through the winter.

Office Addition: The cabinets have been installed in the four new offices and the two new meeting rooms. Framing for ceiling has been installed throughout the new office addition. The wall and exit doors at the north end of our main hallway have been removed. A temporary wall has been erected to keep our building secure; to keep dust and noise to a minimum. This has been done so the existing hallway wall and floor can be tied into the new hallway wall and floor.

New Church: plywood is being installed on the entire roof, 2 layers of insulation will be installed on top of that, then another layer of plywood will be installed over the insulation and the metal roof (looks like shingles) will be installed over the plywood.

Construction of the bell tower will take place. Steel will be erected up to the roof line of the bell tower this year. The steeple (peaked roof) will be installed next year. Part of the bell tower will be covered in brick. However, the upper level of the bell tower will be exposed steel framing until next year.
