## Don't Feed the Phish—Scams on the Rise!!

Parishes in the Sacramento Diocese have reported recent texting and email attempts to scam parishioners into making purchases of gift cards.

Individuals falsely representing themselves as members of our clergy have texted or emailed parishioners asking those parishioners to buy gift cards for the sick or to make contributions to a special cause. Some of these bad actors will make a strong effort to make these messages appear to originate from the pastor. The scammer will write messages using very personal greetings and indicate there is a need to get the cards or funds quickly to create a sense of urgency.

Unbeknownst to the recipient, he or she replies to an address that is not the pastor's, but an imposter's email address. **This type of social engineered attack is commonly referred to as Phishing** or CEO Fraud (the latter because the imposter uses the name of a person you trust or have a close relationship and plays on a sense of urgency). The next email usually asks the parishioner to buy gift cards and to transmit the photo of the gift cards with the numbers revealed to the imposter.

Please remember that our pastor and clergy members will not solicit donations via emails or texts. If any of you receives such a message it should be reported to law enforcement and to the FBI's Internet Crime Complaint Center <https://www.ic3.gov/>
