The Year of Hope

Ordinary Time

I hope you are praying the Respect Life Novena this week! Life is a great symbol of Hope, as it is a physical sign of innocence, trust, and new beginnings such as we will have in the life to come. That many in our time see the unexpected child in the womb as a problem to be dealt with rather than a gift from God or see the only solution to the suffering of old age in suicide are some of the darkest despairs the devil has concocted. Hope gives us the assurance that even these difficult realities receive their purpose in God's Providence!
