## **NET Ministries**

This September NET Ministries Scotland will bring over 10 young people from the USA and Wales for 10 months to minister in our schools and parishes and encourage our young people in their faith and belonging to the Church. 'Host Homes' are essential for these young missionaries to rest, pray, eat and participate in home life. In return, they provide a strong Christian witness in the host homes. Could you provide a (bed/couch/sleeping bag) for a one-week time frame for a minimum of 2 people, with breakfast, packed lunch and dinner? They usually leave in the morning and return at dinner time. Please email [maryshields@netscotland.org](mailto:maryshields@netscotland.org) or call Mary Shields at +44 7720 969390.

**Faith in Change and Conflict:** We know conflict is part of life and can be both creative and destructive. We notice that many people – including those in faith communities – can struggle to find helpful ways to respond to change, transition, tension and difference. Some structures, cultures, systems and habits can make it difficult for people to hear each other well and relationships may break down. We also know that there is much transformational potential in conflict.' **Faith in Change and Conflict** is a training course running in September and January for individuals or parish representative their parish or diocese. (<https://www.placeforhope.org.uk/training/course/faith-in-change-and-conflict>).

## **Zoom vigil to Promote the Korea Peace Appeal - Sunday, July 25 at 12 noon**

In July 1953, North Korea, China and the United Nations signed an armistice agreement ending open hostilities on the Korean peninsula. The following year, China proposed a conference to negotiate a peace treaty, but 68 years later, there is no such negotiation. Since the end of the Cold War and the democratisation of South Korea, pressure from citizens has grown to negotiate and sign a peace treaty. Faith-based groups such as the Korean National Council of Churches and Pax Christi Korea have drafted at least one possible text for a treaty. Pax Christi Scotland hopes that in this 'political situation of conflict, we may be courageous and passionate architects of dialogue and friendship.' Register in advance for this meeting <https://us02web.zoom.us/join/9tZytduyspzkpHdB77le48b4oK9KPYUSO7FiV>

**Scottish Bishops welcome Pope's call for Synod in 2023** Scotland's Catholic Bishops have welcomed a call from Pope Francis for a Synod on the theme of Synodality, to be held in 2023. Commenting on the announcement, Bishop Hugh Gilbert, President of the Bishops' Conference of Scotland said "The Pope has called for a very participative process, engaging all the faithful, which will prepare for this Synod. The Bishops of Scotland welcome the Initiative for a Synodal Church: communion, participation and mission. As the principle and foundation of unity in our dioceses, the Bishops look forward to the launch of the Synodal journey, a period of consultation and discernment in our local Churches, on Sunday 17th October of this year, and preparations are now being made for that event. We ask all the faithful to pray for the success of this initiative in the life of the universal and local Church, and above all to open our hearts to the Holy Spirit and listen to the Holy Spirit speaking through all of us in the Body of Christ."
