SEA SUNDAY: On **2nd/3rd October**

A representative from the Scottish Seafarers Association - **Stella Maris** - will speak at each Mass.

Vocations - 19th September: The **Collection for Vocations** helps to finance the training and formation of our student priests. The seven year programme for the formation of our Priests costs approximately £100,000 per student. This cost is born entirely by the Diocese. At present we have three men in training for the Priesthood – two at the Scots College in Rome and one at Oscott College in Birmingham. The monies raised from the collection also helps to pay for the assessment process of those applying to train for the Priesthood.

ROSARY GROUP: You are invited to join us as we pray **The Rosary in the church every 2nd Friday at 6pm.** The Children's Rosary Group resumed on Friday 4 September 2021 at 6pm. **All new members welcome.** The children take turns to lead us a short 15 minute recitation of the Rosary. Please contact Lesley Ward for further information – 07910266821 lesley@giffnockwards.co.uk

Annual Season of Creation: 1st September - 4th October 2021

Why are Christians pitching 'Abraham's tent' during 2021 Season of Creation?

Every year during the [Season of Creation](#), Christians on six continents unite to pray, take action, and advocate for our common home. But every year also features a new theme and a new logo for Christians to unite around as they care for God's creation.

This year's theme is "A home for all? Renewing the Oikos of God," and the logo reflects that theme as it's Abraham's tent, which symbolizes "a home for all."

"Abraham and Sarah opened their tent as a home for three strangers, who turned out to be God's angels (Genesis 18). By creating a home for all, their act of radical hospitality became

a source of great blessing. Abraham's tent is a symbol of our ecumenical call to practice creation care as an act of radical hospitality, safeguarding a place for all creatures, human and more human, in our common home, the household (oikos) of God. Today, it is a sign of our interfaith and interdisciplinary call to create safe spaces for dialogue and discernment. The tent represents a place of shelter or refuge. It links us with the homeless, refugees, and all who are on the move and displaced by the effects of climate change. Psalm 84 reminds us that in God's house (oikos), even the sparrow finds a home to build a nest and lay her eggs. Like nomadic and semi-nomadic people today, Abraham and Sarah knew what it meant to be vulnerable, depending upon the goodness of the land, respecting its rhythms, and living in trust. The tent is a sign of the grateful pilgrim who knows that as we pass through this life, our footprint must be light upon the Earth." Find out more at [Season of Creation](#)

Climate Petition: "Join the Climate Chorus"

Scotland's official Catholic Aid Agency is launching an appeal to parishioners to sign a petition to the Prime Minister ahead of the COP26 climate change conference to be held in Glasgow in November, at which Pope Francis is expected to participate.

SCIAF point out that with climate change already having a devastating impact on the world's poorest communities, time is running out.

Parishioners are asked to write to the PM urging him to do three things:

*Pay to protect the poorest communities - Make sure financial support is given to those impacted by climate change so they can adapt and recover.

*Act now to stop runaway climate change - Make sure world leaders commit to keeping rises in global temperatures below the disastrous 1.5°C threshold.

*Listen to those on the frontline of the climate crisis - Make sure that people worst affected by the crisis are at the heart of the climate talks. You can sign the petition at <https://www.sciaf.org.uk/timeforaction>

COP 26 Papal Visit

The Holy Father will visit Glasgow for only a few hours to attend the COP26 gathering where he is expected to address world leaders before returning to Rome.

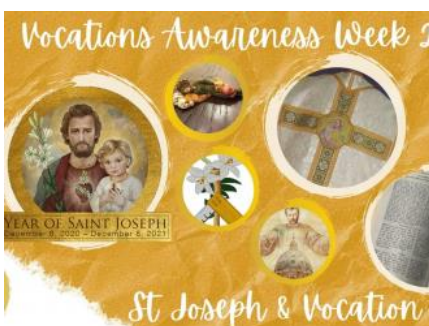

The date of the Holy Father's visit to the city has not yet been finalised but the Pope has repeatedly emphasised the moral dimension of the climate emergency and the obligation of all to help protect the planet.

Earlier this year in a message for Earth Day he said: *"We have the instruments. This is the moment to act. We are at the edge. We need to ensure that the environment is cleaner, purer and that it is conserved. We must care for nature so that nature may care for us."*

Celebrate St. Hildegard on her Feast Day in a free concert featuring some of her loveliest music and poetry! This unique and multi-talented abbess from the middle-ages astounded her world with her visions and the marvellous way she expressed them in original creativity. Famous in her own time, she was canonised by Pope Benedict XVI. From the ancient Celtic region of the Rhineland, her spirituality has remarkable connections with St Columbkille and the Celtic saints of Ireland and Scotland.

The three voices and harp of **Canty**, Scotland's professional ensemble specialising in medieval music, will present an hour of St. Hildegard's wonderful music and readings of her own words in **St. Columbkille's, Rutherglen on 17th September at 6pm**. We notice that many people – including those in faith communities – can struggle to find helpful ways to respond to change, transition, tension and difference. Some structures, cultures, systems and habits can make it difficult for people to hear each other well and relationships may break down. We also know that there is much transformational potential in conflict.' **Faith in Change and Conflict** is a training course running in September and January for individuals or parish representative their parish or diocese.
