DEFEND PRO-LIFE VIGILS The Abortion Services (Safe Access Zones) Bill will soon be in Holyrood. *It will be illegal to "influence or persuade a person concerning their access to or employment in connection with abortion services". This would prevent women being offered help outside clinics. It would even prevent a family member or social worker expressing an opinion to a woman about her abortion. *People will be criminalised for "persistently, continuously, or repeatedly occupying a safe access zone" - so even silent prayer would not be allowed. *Anyone taking part in a Pro-Life vigil (i.e. Catholics) in Scotland would be subject to a six-month jail sentence for a first offence, and to two years for subsequent breaches. Please email your MSP about this attack against the civil rights guaranteed by the European Convention on Human Rights - "Say no to buffer zones" Please visit the SPUC website for a detailed critique.
