Safeguarding News – Papal update to ‘Vos estis lux mundi’

Pope Francis permanently decreed an updated version of Vos estis lux mundi, his landmark legislation to counter abuse in the Catholic Church. The decree now extends the Church's norms for handling of abuse to cover lay leaders of international associations of the faithful recognized by the Vatican. **Vos estis lux mundi** (“You are the light of the world”) reaffirms an obligation to report cases of “vulnerable adult” victims of abuse, including violence against religious women by clerics and cases of harassment of adult seminarians or novices by a superior. It also includes protections for people who witness acts of abuse, in addition to those who submit reports of alleged abuse, stipulating that no “obligation of silence” may be imposed on those who report, witness, or are victims of abuse. The new provisions came into force on April 30 and replace the Pope's provisional version of Vos estis lux mundi published nearly four years ago. Further information can be provided from the following link:

MIDDLE EAST PEACE The Bishops' Conference of Scotland has issued a statement on the hostilities in the Middle East (October 2023):

"We have been shocked and horrified by the outbreak of senseless violence in the Holy Land.

Our hearts go out to the innocent people of Israel who have been murdered and terrorised and to the innocent civilians of Gaza dying in a war zone.

We join with Pope Francis in his call for peace and echo his condemnation of this widespread outbreak of violence.

We pray for peace and call on the faithful, and all people of good will to do the same.

We hope the violence will cease, that civilians and non-combatants will be respected and that all hostages will be released."

PRAYER FOR THE SYNOD

We stand before You, Holy Spirit, as we gather together in Your name.

With You alone to guide us, make Yourself at home in our hearts;

Teach us the way we must go and how we are to pursue it.

We are weak and sinful; do not let us promote disorder.

Do not let ignorance lead us down the wrong path nor partiality influence our actions.

Let us find in You our unity so that we may journey together to eternal life and not stray from the way of truth and what is right.

All this we ask of You, who are at work in every place and time, in the communion of the Father and the Son, forever and ever.

Amen

MASSIVE THREAT TO RELIGIOUS FREEDOM – PLEASE CONTACT YOUR MSPs "The Abortion Services (Safe Access Zones) Bill, tabled by Gillian MacKay, will soon be debated in Holyrood. This Bill will introduce so-called buffer zones around abortion clinics. It bans prayer in certain areas – a massive attack on religious freedom – and removes a lifeline for women who want to keep their babies but feel they have no other option but abortion. Please contact your Members of the Scottish Parliament to make your views known. To enable people to contact all eight of their MSPs at once, we have created an easy-to-use **webtool** which can be found here: <https://www.spuc.org.uk/nobufferzonesScotland>. Entering your postcode brings up who your MSPs are, together with an editable email template. You can then edit the email template and submit the email to all eight of your MSPs."

Alitheia Williams, Public Policy Manager

ASSISTED SUICIDE – PLEASE CONTACT YOUR MSPs

Later in 2023 Liam McArthur MSP is expected to publish a bill to legalise assisted suicide in Scotland. The bill, which will allow assisted suicide for those who are terminally ill, mentally competent and who wish to die, will be debated and scrutinised by the Scottish Parliament and will eventually be voted on by MSPs in a free vote (not along party lines). We should be improving palliative care in Scotland and caring for vulnerable people, not killing them.

Please visit rcpolitics.org/assistedsuicide/ for more information including a guide to contacting your MSPs; or email office@rcpolitics.org. Your help is urgently needed now to convince your local MSPs that this is a bad idea.

Please contact your local MSPs to inform them of the dangers of assisted suicide.

Thanking you in advance of your help on this immensely important issue.

ASSISTED SUICIDE Stop the Assisted Dying Bill. Legalising assisted suicide is dangerous because it attacks human dignity. Implicit in assisted suicide is that an individual, in certain circumstances, can lose their value and worth. Make your voice heard by contacting your MSP on your own or as part of a group with family, friends, or in your local parish. All the information you need can be found here: [Assisted Suicide – Catholic Parliamentary Office \(rcpolitics.org\)](http://AssistedSuicide-CatholicParliamentaryOffice(rcpolitics.org))

WE ARE FAIR TRADE Following the sad closure of Traidcraft, We Are Fair Trade Ltd have stepped into the gap with our exciting, new, online, fair trade store. We are staffed by a group of former Traidcraft employees who don't want to see their pioneering work come to nothing. We are operating entirely separately from the Traidcraft Foundation and Transform Trade but, we share the vision and passion that drove Traidcraft's original founders. Our vision is to support growers and producers, in the Global South as well as those who provide the supply chain that makes their goods available in the UK. We believe the best way to help them is to provide the biggest, friendliest and most efficient shop window for Fair Trade goods that we possibly can. Trade justice is a huge mission and we are excited to be playing our part in such a noble cause. Of course, it is far too big a task to accomplish on our own, which is why we are hoping you will join with us. Every fairly traded product you buy helps pay for the next crop or the next production run. Every time you talk about Fair Trade, there is a chance that someone new will join the quest to make trade fairer for everyone. If enough of us take these simple steps, we could make a tangible difference to the well-being and future prospects of thousands of growers, producers and artisans in the Global South. If you would like to stay up to date with what we are doing, you can visit our brand-new website at: www.wearefairtrade.com We already have a lot of stock and we are adding more lines all the time. You will also find more information about who we are and what we are doing there.
