

Society of St Vincent de Paul, St Cadoc's Parish, Newton Mearns.

Update – November 2022

Hello Everyone

We continue to carry out regular Home Visits to our parishioners, telephone contacts and visits to our local Nursing Homes.

Through TWINNING, we help to support two very poor Parish Conferences in India. They are so grateful for our donations and I have attached correspondence and photos from these projects.

In September we hosted an Autumn Lunch for forty parishioners which was a great success.

In November we donated £1000 to three of our Special Works Projects - St Vincent's Hospice, Jericho House (which helps and assists those with Addiction Issues) and Emergency Relief to those in need.

We are now planning to host a Christmas Lunch in early December.

SSVP would like to thank everyone who supports us thus allowing us to support others in great need.

Best wishes

Rosaleen Smith
