Current Safety Guidelines for Hardin Catholic Churches

Each family will determine their own family members' level of risk and decide their own mask and distancing needs. Do continue the practice of hand sanitizing upon entering our buildings. No one is required to share private health information, including vaccine status. **Note:** *Incoming and returning ONU students will have to follow the mandates given them by the University.*

Please respect each other's decisions and practices! *There are no new health guidelines for the PSR; each family will determine their own practices unless state mandates or Diocesan recommendations are issued.*

Lord Jesus Christ,
You have destroyed the power of death
and given the hope of eternal life for body and soul.
You granted your Mother a special place in your glory,
and did not allow decay to touch her body.
As we rejoice in the Assumption of Mary,
grant us renewed confidence in the victory of life over death.
Amen.
