St. Francis -

St. Francis was the son of a wealthy merchant; he led a life of fun enjoying parties. When he was 20 years old he went off to war, dreaming of becoming a knight. He was captured by the enemy and became very ill in prison. After praying and contemplating Jesus’ words “Blessed are the poor in spirit, for the kingdom of heaven is theirs”, Francis was inspired to sell all that he had and follow Jesus. One day while praying in an old church he heard Jesus tell him to repair His church. Francis gave up everything he had to live like Jesus. He is the patron saint of animals and ecology. His feast day is October 4

Church Directory

If you missed having your picture taken for the Directory and would like to be included, please email a picture of yourself or family as soon as possible to one of the offices to be included in the Directory.

St. Augustine, a doctor of the church, once wrote that the first, second, and third most important attitude in Christianity is humility. In today’s second reading, Saint Paul is concerned with how we conduct ourselves in our community of faith. He urges us to let our conduct be worthy of the Gospel we say that we believe; and that it all begins with humility He asks us to consider others better than ourselves, and to serve them by looking out for their best interest, not ours. Consider how Saint Paul’s appeal to imitating Christ’s humility can enhance your relationships.
