Today's second reading warns that a heart consumed with avarice and envy leads to jealousy, strife, conflicts, and disputes. A giving heart, in contrast, can sing instead with the psalmist, "Freely will I offer you sacrifice; I will praise your name, O Lord, for its goodness." See Psalm 54

THE
CATHOLIC
FOUNDATION

"If anyone wishes to be first, he shall be the last of all and the servant of all."

– Mark 9:35

Jesus teaches us that we are called to love one another. Love involves sacrifice. Sacrifice is a word that many of us don't like to hear. We think it means that we must give up something that we want. However, the literal meaning of sacrifice is "to make holy," from the words "sacer" = *sacred* and "facere" = *to make*. In other words, we make our lives holy by sharing our gifts in the service of God.

Learn how you can share your gifts to support your parish and contact The Catholic Foundation. Visit www.catholic-foundation.org/development for more information.

Blessing of Pets

On **Sunday, October 3rd at 1:00 p.m.** bring your pets to Blessed Sacrament parking lot for a "blessing of pets" by Deacon Patrick, in observance of the feast day of St. Francis of Assisi, which is October 4. Please have your pets on a leash, or in a pet carrier.

MISSION APPEAL IN THE CATHOLIC DIOCESE OF COLUMBUS **2021 for Moshi Diocese**

Dear parishioners,

I am Fr Peter Asantebwana from Catholic Diocese of Moshi in Tanzania. First of all, many thanks to Bishop Robert Brennan, thanks to the Mission Office and thanks to our pastor, Fr Tony, for accepting the Diocese of Moshi to share with you her missionary experience. Thank you dear parishioners of the Blessed Sacrament Parish for your warm and generous heart to the missionaries who visit you every year to share the missionary experiences in their Mission territories. I believe the faith that is shared is the faith that is strengthened.

The Diocese of Moshi is in Tanzania, East Africa; it was evangelized by Holy Ghost missionaries who were from the United States, Ireland and France. They did not only preach the Gospel and administer sacraments, but also build churches, schools and hospitals. People educated in these schools are now priests, teachers, leaders and even myself. The missionaries are no longer in the Diocese. The indigenous bishops, priests and lay people are continuing the work started by these Missionaries.

My Diocese undertakes many spiritual and social activities for God’s people; most notable are health and educational services to orphans left behind by HIV/AIDS parents, mother and father child health care in remote areas. We have 97 major seminarians who depend directly on their Bishop for their college expenses in different Major Seminaries. To accomplish some of these services, the Diocese owns and manages some schools many including two nursing colleges, five hospitals, 44 dispensaries, 35 high schools, 15 vocational training centers and more than 50 kindergartens.

Currently the Diocese of Moshi has 16 priests in a retirement center who depend totally on the Bishop for their livelihood. These priest worked hard with the missionaries in building schools, churches and hospitals. They were not paid anything and they do not have any social security or benefit. Your support is key in helping these priests who after long life time of service are no longer able to move around. They are relying on nurses/trained aides to help them. They do not have social security since all priests work as volunteers and do not have salaries like those in developed countries.

St John Paul II said “We are all called to do mission, some people do the mission by going to the mission while others do the mission by prayers and donations or material support.” You can support the mission by contributing to a second collection today. Also St. Theresa of Calcutta said “If you cannot feed a 100 people now, then just feed one”. Today you and I are invited to show solidarity and join the missionaries in mission land who have sacrificed their meals, time and other material things for love of God and neighbor. *During my first days in US I was invited for a dinner. When at the restaurant instead of looking the food of my choice I was looking at the prices and try to recall back home. The bill for the food I took was \$26 that could be used to give one lunch for these 16 elderly priests at the retirement, but for me, I used it in a single meal.*

You can sacrifice a lunch/dinner/movie or whatever you see is fitting and by that you will be touching and changing the life of these elderly priests completely. People pray for missionaries and benefactors. You are remembered in these prayers as well. That is why I said faith shared is faith strengthened.

Fr. Peter

OUR TARGETED MINISTRIES

Orphan Children

Because of the HIV-AIDS pandemic, we have overwhelming number of orphans. There are over 11,000 orphans in the Diocese. Most of these are raised by grandparents or relatives. A few are in the orphanages. Moshi Diocese cannot adequately take care of them without your help. They need food, clothing, medication and education. Please help us to give hope to these unfortunate children.

ST. PAMACHIUS INCLUSIVE HIGH SCHOOL

Children with disabilities have been ignored in the community for too long. Currently, there is no single high school they can attend. Moshi Diocese is building a special inclusive high school designed specifically to accommodate children with disabilities of all kinds. We need your help to give hope to this most vulnerable kids, to tell them that God still loves them and they have chance in the world!

Albino Children in Moshi

Children with disabilities (albino, mobility, blind, deaf, etc) are ignored in education . Help us to support a new inclusive St. Pamachius high school for them, as well as a home for them. This will be the first school of the kind in the country. They deserve dignified lives like other children!

There are two orphanages in the Diocese. One for the little ones ages 0 –5 and the second for the kids ages 6 and older. These children have no one else to take care of them.

Girls and Women Support and Empowerment

Girls need high school, college, and vocational school education to prepare them for employment and leadership within their communities.

Women work hard, and they need to be empowered.

Real Presence, Real Future reflections: The Greatness of Faithful Detachment

by Dcn. Tom Berg, Jr., St. Andrew Parish

Today, we see Jesus' disciples arguing among themselves about who is the greatest of them. Jesus patiently sits them down and teaches, "If anyone wishes to be first, he shall be the last of all and the servant of all." The beauty of what Jesus taught reminds us not to be too attached to physical things, ambitions, and worldly desires. One of the hallmarks of the saints is a wonderful detachment from such things, which served them very well as they lived their faith in the Real Presence of the Lord and embraced the Real Future He called them into. Today, let us be inspired to do the same! For more about the life of faith and discipleship in the Diocese of Columbus, visit www.RealPresenceRealFuture.org.

Local Information & Events

40 Days for Life

Join *Licking County Catholic Churches* in the 40 Days for Life (40DFL) program this Fall. 40DFL is a national campaign to bring continuous prayer to local abortion clinics in more than 600 cities across the world. The Columbus program is sponsored by Greater Columbus Right to Life. Vigils will be held at Planned Parenthood, 3255 E. Main Street, Columbus. Licking County Catholic Churches have adopted Saturday, October 2nd from 7:00 a.m.-7:00 p.m. We are asking for a minimum of two volunteers to sign up to pray at the clinic for each hour-long shift. Visit <https://www.gcrtl.org/40-days-for-life.html>. The 'how to sign up' link will guide you thru creating an account so that you can assign yourself (and a friend) to a shift. If you cannot pray on our adopted day, you are welcome (and encouraged) to volunteer for another time. Please note that the clinic is closed on weekends, so there will be no interaction with staff or clients. We ask that our prayer warriors be respectful, bring your rosary, and feel free to carry positive banners/signs & sing hymns as you pray. For more information, call Lynn Richardson at 740-405-6631.

Fall Parish Consultation Sessions Coming!

As part of the ongoing strategic process for *Real Presence, Real Future*, the Diocese of Columbus is hosting **Consultation Sessions for each parish** throughout the Fall. *Two Sessions* will be held via Zoom videoconferencing for each parish. Facilitators will guide parishioners through important statistical and sacramental information relevant to the Diocese as a whole, parishes in surrounding areas, as well as individual parish information. *Parishioner participation in these sessions is critical in helping shape the future of the Diocese of Columbus.*

The Parish Consultation Sessions are a vital part of the planning process that encourages parishioners to offer insights and perspective on the future planning of their parish. Feedback will be used to draft new models for review by parishioners in early 2022. The consultation process continues throughout 2022 until final models are approved. *No decisions have been made regarding any parish, and none will be made until feedback is gathered directly from parishioners through the consultation process.* Every parishioner in the Diocese is encouraged to attend! Plan to participate and invite others to do the same. Registration is required by logging onto www.realpresencerealfuture.org. *Even if you are not able to participate, register anyway. All registrants will receive a link to the recording via email after the session.*
