FROM OUR PASTOR'S DESK

My Brothers and Sisters,

A reminder that election day is this coming Tuesday. **We are urged to vote NO on STATE ISSUE 1** as it proposes extreme measures which are against the dignity of human life and the family. Please refer to the bulletin for more information on state ISSUE 1.

This weekend, the Knights of Columbus will help with the distribution of bricks from the sidewalk. I would like to thank the Knights for helping with this, especially Mike Stickle. I know that Mike has already delivered some of the bricks to families. We have, to the best of our ability, compiled an inventory so that each brick may go to its rightful donor. When you collect your brick this weekend, please let the Knights know so that the proper record can be maintained. Thank you for your patience and understanding.

On Saturday, Sunday, and Monday evenings, we will have our parish mission series as we continue this year of the Eucharist. Mike Denz, our coordinator for adult faith formation, will host this series explaining what happens during Mass. Please register as these evenings include dinner. I hope to see many of you there.

In our stewardship report, as well as in Nate Harris' speech, the SGO (scholarship granting organization) concept was mentioned. Through a donation to the Diocese of Columbus' SGO, called the Emmaus Road Scholarship, you can receive a tax credit while helping direct tax dollars to our school. We have invited staff from the Office of Catholic Schools to come to Blessed Sacrament to further explain this opportunity on November 15. If you are interested in learning more about how you can support Blessed Sacrament through a donation to the SGO, I invite you to please join us.

Have a great week!

**Turn Your Taxes
into Scholarships for
Catholic Education**
*with the Emmaus Road
Scholarship Fund*

It's true! As an Ohio taxpayer, when you make a donation to the Emmaus Road Scholarship Fund, you could receive a dollar-for-dollar credit* against your state income tax liability while creating scholarship dollars for students to attend Our Catholic Schools in the Diocese of Columbus.

Even with the recent expansion to Ohio's EdChoice Scholarship program, financial need still exists for many families. Your gift helps bridge the gap between state scholarships and the cost to educate a child while reducing your Ohio tax burden.

*Ohio tax credit is up to \$750 per person, or \$1,500 if married filing jointly. Based on tax rates posted by the Ohio Department of Taxation, an individual with an annual income of \$40,000 has an average state tax liability of \$750.

Consult a tax advisor for guidance on your specific situation. The Emmaus Road Scholarship Fund is a certified scholarship granting organization (SGO) in the state of Ohio.

**DON'T WAIT - REGISTER TODAY!**

ROOT is a foundational catechetical experience focusing on the Creed for children, teens, and parents, with age-appropriate content for each.

We will meet on the 2nd Sunday of the month from NOVEMBER to APRIL, 9:00am to 10:30am in Shepherd Hall. Families will grow in a deeper understanding of our faith as they are led through the contents of the first part of the Catechism of the Catholic Church. Grandparents and guardians are welcome to participate in the place of parents or alongside the parents.

THE COST IS \$40 PER FAMILY FOR THE ENTIRE PROGRAM.

THE TRUTH ABOUT ISSUE 1

THE ABORTION BALLOT INITIATIVE

1. REMOVES PARENTS' RIGHTS

The initiative's language uses the legal term "individual," which does **not** differentiate between adults and minors. An "individual" legally refers to citizens of all ages—nullifying parents' rights to stop their children from making harmful decisions.

2. ALLOWS ABORTION THROUGH NINE MONTHS OF PREGNANCY

In the case "Doe v. Bolton," the court defined "health" to include physical, emotional, psychological, familial, and the woman's age, allowing for abortion without limits in the proposed amendment.

3. ENSHRINES THE "RIGHT" TO SEX-CHANGE SURGERY AND HORMONES FOR MINORS

The initiative would enshrine protections for anything involving "reproductive decisions." This would include gender transition "therapy" like hormones and irreversible surgeries.

4. ENABLES ABUSERS

Any "person" that "assists" an "individual," including a minor, in getting an abortion or sex change would now be legally protected in doing so. This includes an adult man abusing a teenage girl or a teacher going behind a parent's back.

SEE AMENDMENT'S LANGUAGE

FULL TEXT OF PROPOSED AMENDMENT

Be it Resolved by the People of the State of Ohio that Article I of the Ohio Constitution is amended to add the following Section:

Article I, Section 22. The Right to Reproductive Freedom with Protections for Health and Safety

1.

A. Every individual has a right to make and carry out one's own reproductive decisions, including but not limited to decisions on:

3.

1. contraception;
2. fertility treatment;
3. continuing one's own pregnancy;
4. miscarriage care; and
5. abortion.

B. The State shall not, directly or indirectly, burden, penalize, prohibit, interfere with, or discriminate against either:

4.

1. An individual's voluntary exercise of this right or
2. A person or entity that assists an individual exercising this right,

unless the State demonstrates that it is using the least restrictive means to advance the individual's health in accordance with widely accepted and evidence-based standards of care.

However, abortion may be prohibited after fetal viability. But in no case may such an abortion be prohibited if in the professional judgment of the pregnant patient's treating physician it is necessary to protect the pregnant patient's life or health.

2.

C. As used in this Section:

1. "Fetal viability" means "the point in a pregnancy when, in the professional judgment of the pregnant patient's treating physician, the fetus has a significant likelihood of survival outside the uterus with reasonable measures. This is determined on a case-by-case basis."
2. "State" includes any governmental entity and any political subdivision.

D. This Section is self-executing.
