FROM OUR PASTOR'S DESK

My Brothers and Sisters,

In the coming weeks, Meghan will leave her role as Director of Mission and Development as she takes a new position in Cleveland. She is returning to the area where she went to college and still has friends and connections. I am happy for her and her children in this new opportunity and I support her next steps.

Since Meghan joined our staff, she revitalized our sacrament preparation and faith formation to better reflect the mission of our parish and school. Her focus on family-based catechesis has been a significant part of her work here at Blessed Sacrament. I am also grateful for the work she has done in her current role aligning our resources with our mission. She has been instrumental in solidifying and communicating the mission and vision for Blessed Sacrament while also putting it into action through development and numerous projects to improve the parish and school. Meghan has become a trusted colleague and friend over the years and I will miss her.

There are many exciting things happening in our parish and school community at this time and we want to maintain that momentum by filling the position with the right candidate in a timely manner. We will share an official job description soon, but I invite you to begin praying for the right candidate to come forward soon so we can maintain continuity in our work. If you are interested or know someone who might be, please reach out to Meghan to discuss the details of the position.

Have a great week! *Fr. Tony Lanzo*

In today's second reading, St. Paul tells us that all of our gifts are from God and that they are given, not for ourselves alone, but for the common good. But the generosity of God knows no limits — the miracle at Cana reminds us that whenever we faithfully do as God asks, He can change our gifts of water into wine!

Crusaders

"Since we have gifts that differ according to the grace given to us, let us exercise them."

These words from St. Paul's letter to the Romans guide us in all we do at Blessed Sacrament School. We believe in the unique gifts and talents of each student. We value their unique strengths and their individual interests and passions. Our Romans 12 program provides scheduled, weekly time each week for our students to create, study, or explore anything they choose, and our Crusader Clubs pair students and staff together monthly around a common interest.
