

Dear Parents,

We've had a fantastic week at school. Most students have finished MAP testing. I'll send home a parent report when all tests are finished. Thanks for responding promptly with the Circle of Grace forms and Rainbow Mass forms.

In regard to **Rainbow Mass**, we will plan to leave school by **8:45 on Sept. 14th**. Student uniform shirts for Rainbow Mass should be one of the blues(light, royal, or navy). Mass at the Sportscenter begins at 10:30. Following Mass, we will be eating lunch at the park across the street. We will need to know how many lunches our lunchroom staff needs to prepare. Please send a note to your child's teacher about lunch plans. We will need that count by September 1st. For parents who are transporting your own child or others, please let your child's teacher know if you are leaving. We want to make sure that we can account for all students. Students riding with parents are not expected to return to school. **Buses will return to school between 1:45 & 2:00.**

Just a reminder that **Tuesday is picture day and out of uniform for charity**. We will be collecting for flood victims in Eastern Kentucky. Our middle school students will be assembling zip lock bags with small toys, travel games, cards, etc to be distributed to children. Your child's out of uniform donation can be a small item that fits in a ziplock bag or monetary.

I hope to see you at the **PTO Meeting Tuesday at 5!**

Thanks

Jennifer O'Reilly
