"If the only prayer you ever say in your entire life is thank you, it will be enough." - Meister Eckhart

SCB Families:

I want to start by saying thank you to all for sharing your gifts of time, talent, and treasure for our auction this past weekend. On Sunday, we began to look at results, and our early readout shows that this auction will be a record breaking event for our community. We are humbled by your incredible support.

Why is the auction so special to all of us? It is a loving gesture of generosity, a time where we come together, enjoy each other's company and support our vibrant community. Our volunteers, donors, decorators, chairs, teachers and advancement team all come together to ensure the success of this vital event. Over the past 60+ years, the St. Charles community has been a home to thousands of students and families and it is through this fundraising that we are able to continue our mission of Catholic education in Tacoma.

Why is our mission so important? These 11 years our kids spend together here are transformative. Our kids learn how to be students here, they lose their teeth here, learn to tie their shoes, and prepare for sacraments together. At St. Charles, our students succeed academically, sometimes falter, but they learn how to study and course correct. They make friends, they have fun, and they also bicker with them and learn how to forgive. They come in as babies and leave young adults, with friends that become like brothers and sisters; all the while surrounded by adults who they know love and support them. Having your children grow up here is a gift.

Thank you to all of you for blessing this community with such abundance and allowing us to continue our life giving work.

St. Charles Borromeo, Pray for us.
