Building for Jesus

It's funny how certain verses in scripture will stand out depending on what is going on in your life at the time. I have read this passage from the Gospel of John about Jesus cleansing the temple

dozens if not hundreds of times. What leaped out at me this week?

"This temple has been under construction for 46 years..."

For over five years we have been working with FEMA, the State, and then the Archdiocese on the demolition, design, and replacement of the old St. John Paul II Center that was destroyed in the earthquake of December 2018. It has been a long and arduous journey. There are still some hoops to jump through, but it looks like we are nearing the end. The contract for the demolition of the old building has been signed and it should be coming down within the month. The design is at 100% and the project has gone out to bid, with the bids closing on March 6th. If all goes well, construction will begin as soon as the ground thaws. As soon as the last piece of paper is signed, then we will roll out the drawings, etc. With a reception room, that can hold 75 people, with a warming kitchen and five large meeting rooms, it is quite lovely and should serve us well for many generations. Once it is completed, we can begin work on all the other projects that are in the wings like the baptismal font, the sacristy, the stained glass windows, and the completion of The Cloister.

However, we should take a lesson from the story about the Temple. It is all too easy to forget that this is first and foremost a place of worship, then of formation, then of evangelization. If the life of our parish family is not centered around Christ in the Eucharist, then nothing we build, no program that we organize, no initiative that we promote will have any lasting effect. As our parish prayer says,

May Christ be with us!

May Christ be before us!

May Christ be in us, Christ be over all!

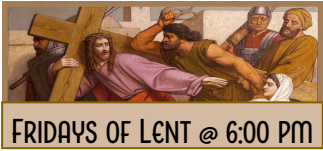

I'll keep you posted as things progress. In the meantime, let us keep one another in prayer. - Fr. Leo

New to the Parish?

Please take a moment to call the office or stop on in during the week! We would love to meet you and show you around. Welcome and thank you for coming!

PARISH HAPPENINGS

The Priests of the Archdiocese will be on their yearly Convocation this week (March 4 -7)

We will not have Daily Mass, Confessions, or Adoration this week.

We will pray Liturgy of the Hours on Tuesday (5:30pm) & Wednesday (12 Noon)

The Chrism Mass
Thursday, March 7th
7:00 pm

The Cathedral of Our Lady of Guadalupe

During this special liturgy, the Archbishop consecrates the sacred oils used in the sacraments of Baptism, Confirmation, Anointing of the Sick, and Holy orders. The oils are then distributed to the parishes for sacramental celebrations throughout the year.

An additional aspect of the Chrism Mass is the annual renewal of priestly promises. With all the priests of the archdiocese present before the Archbishop, they renew their fidelity to him and to Jesus Christ.

With Fr. Russel Murray, OFM

LIVING INTO LENT WITH ST. FRANCIS OF ASSISI

He lived and died 800 years ago. Still, St. Francis of Assisi captures people's attention like a fresh breeze on a hot day. Why? It was the way he lived our Christian faith. His way of following Christ filled old practices with new life, and then shared that life with the world. Prayer, fasting, and almsgiving are Lent's age-old practices. Allow St. Francis to open your eyes to see them in a fresh, new light, and discover an intimacy with Christ beyond anything you could have imagined.

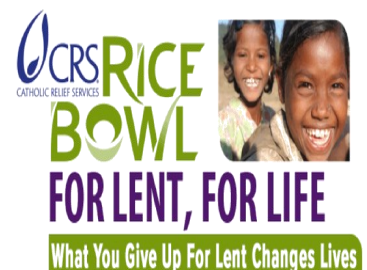

Can't make it in person? Join us on the Facebook Livestream!

Fr. Russel Murray, OFM is a Franciscan Friar of Our Lady of Guadalupe Province (USA). A son of St. Francis, the world has been his cloister. Since entering the Franciscan Order he has been variously a professor, preacher, and pilgrimage leader, and has served everywhere from the deserts of Judea to the snows of Siberia, and from the concrete valleys of New York City to the sundrenched hills of central Italy. Although he hangs his hat in Washington, DC (for now), his heart's true home remains Assisi.

Raising Chickens to Support Her Family

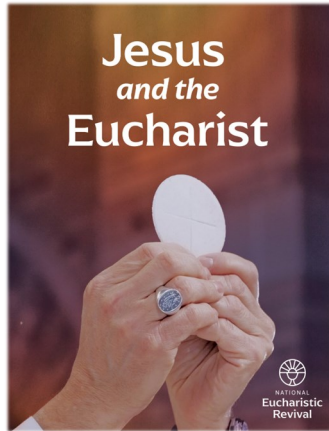

Nowadays, in Morazán, El Salvador, it is very difficult to know when the rainy or dry seasons will be. The unpredictable weather puts the livelihood of Sandra's family in jeopardy. Despite the challenges, Sandra and her husband, Santos, remain dedicated to ensuring their children grow healthy and succeed in school. Learn how their strong family dynamic enabled Sandra to participate in a Catholic Relief Services' project on raising chickens and how her determination has helped her family and community. Visit crsricebowl.org to read this week's Story of Hope.

First Half Summary

Despite our fairly flat Alaskan economy, our Operating Revenue for the first half of Fiscal Year 2024 is up slightly over the same period last year, and almost \$14,000 above expectations. Due to increased attendance in our faith formation programs (great news!), and inflation, expenses were unfavorable related to budget by almost \$25,000.

Nonetheless, we managed a positive Operating margin of \$11,850!

Complete financial statements are available at the parish office upon request. Thank you to all who continue to faithfully and generously support our parish community!
