Issue 1 Puts Women at Risk - Vote NO by November 7

The Catholic Church honors Mary, the Mother of God, as the perfect model of the love that God wants to share with every person. When Catholics look to Mary, her cousin Elizabeth, or her ancestor Ruth, we see that God's plan for the world's salvation was entrusted to women. In Ohio, an amendment on this November's ballot puts women at risk and the Catholic Church cannot stand by as women are threatened in our state. The Catholic bishops of Ohio urge the faithful to Vote NO on Issue 1, which puts women at risk by...

- **Endangering health and safety standards for women** – Ohio laws that require that a woman has guaranteed access to a hospital during an abortion in case of an emergency or the 24-hour waiting period before having an abortion could be struck down.

Issue 1 claims to help women, but this policy would put women at risk. Our faith teaches us that pregnant women deserve a community of support, so Catholics cannot be silent when an extreme amendment threatens to remove protections for women's health and safety. Learn more at www.ohiocathconf.org/protect.

Your vote is needed to save Ohio from this extreme amendment. Look up your early voting location at www.voteohio.org and protect women in Ohio by **Voting NO on Issue 1.**

Issue 1 Frequently Asked Question

Would abortion be illegal in Ohio if Issue 1 does not pass? If Issue 1 does not pass, abortion would still be legal in Ohio until a baby's heartbeat can be detected. This standard was challenged in court and placed on hold, allowing for abortions up to 22 weeks as of September 15, 2023. Current laws that protect the safety of women and parental rights would stay in effect.
