Gospel Meditation

Encourage Deeper Understanding of Scripture

Pondering the Birth of Christ

The Nativity of the Lord (Christmas Day)

So they went in haste and found Mary and Joseph, and the infant lying in the manger. When they saw this, they made known the message that had been told them about this child. All who heard it were amazed by what had been told them by the shepherds. And Mary kept all these things, reflecting on them in her heart. [Luke 2:16-19](#)

Merry Christmas! Our Advent preparations have been completed, and we are now invited by our Lord to enter into the glorious celebration of His birth!

How well do you understand the awe-inspiring mystery of Christmas? How fully do you comprehend the significance of God becoming a human, born of a virgin? Though many are quite familiar with the beautiful and humble story of the birth of the Savior of the World, that familiarity can have the surprising negative effect of keeping our intellect from deeply probing the depths of the meaning of what we celebrate.

Notice the last line of the Gospel passage quoted above: "And Mary kept all these things, reflecting on them in her heart." What a beautiful line to ponder this Christmas day. Mother Mary was the one person who would have understood the mystery of the birth of her Son, the Son of God, the Savior of the World, far more deeply than anyone else. It was to her that the Archangel Gabriel appeared, announcing her

pregnancy and His birth. It was her who carried her Son, the Son of God, in her Immaculate womb for nine months. It was to her that Elizabeth, her cousin, cried out, "Most blessed are you among women, and blessed is the fruit of your womb" ([Luke 1:42](#)). It was Mary who was the Immaculate Conception, the one who was preserved from all sin throughout her life. And it was her who gave birth to this Child, carried Him in her arms and nursed Him at her breast. Our Blessed Mother, more than any other, understood the incredible event that had taken place in her life.

But, again, the Gospel above says that "Mary kept all these things, reflecting on them in her heart." One thing this tells us is that even Mary, the Mother of Jesus and the Mother of God, needed time to ponder, reflect and savor this most holy mystery. She never doubted, but her faith continually deepened, and her heart pondered the unfathomable and incomprehensible mystery of the Incarnation.

Another thing this tells us is that there is no end to the depth of the "pondering" to which we must commit ourselves if we want to enter more deeply into the mystery of the birth of the Son of God. Reading the story, setting up a nativity scene, sharing Christmas cards, attending Mass and the like are central to a holy celebration of Christmas. But "pondering" and "reflecting," especially during prayer and especially at the Christmas Mass, will have the effect of drawing us ever deeper into this Mystery of our Faith.

Reflect, today, with our Blessed Mother. Ponder the Incarnation. Place yourself into the scene that first Christmas. Hear the sounds of the town. Smell the smells of the stable. Watch as the shepherds come forth in adoration. And enter the mystery more fully, acknowledging that the more you know about the mystery of Christmas, the more you know how little you actually know and understand. But that humble

realization is the first step to a deeper understanding
of what we celebrate this day.
