Exhausting the “Soil” of Mercy

Third Sunday of Lent (Year C)

“Sir, leave it for this year also, and I shall cultivate the ground around it and fertilize it; it may bear fruit in the future. If not you can cut it down.” Luke 13:8–9

Every gardener knows that good fruit is, in part, dependent upon the presence of good soil. But other factors are also important in the production of good fruit. The plant must be free of disease, receive water and sun, be planted in a warm environment, be properly pruned, and have enough space to grow. When all factors are present, good fruit is guaranteed.

So it is with our lives. The soil in which we are to be planted is the mercy of God. And this soil is the richest soil attainable for the production of the virtues in our lives. God also produces the sun, the rain, and the warmth that is needed for our growth. But, analogously speaking, we must allow ourselves to be pruned. We must also allow the soil to be fertilized and cultivated in a variety of ways. Though Jesus is the Gardener of our lives, it’s also fair to say that we are the gardeners in the sense that we must cooperate with our Lord, relying upon the supernatural resources of the Creator to ensure the healthy growth of our spiritual lives so that the good fruit of virtue may be born in our lives.

This passage above is the conclusion to the Parable of the Fig Tree. Just prior to this passage, the owner of the vineyard, God the Father, ordered that the barren fig tree be cut down so that it will no longer exhaust the soil. But our merciful Lord, sent on mission from the Father to till the soil of our lives, seeks to offer one more chance and the Father obliges out of love. This life is that “year” by which our Lord works fervently to cultivate the soil around us. We must cooperate through daily prayer, fidelity to His commands, acts of loving sacrifice and surrender to His providence. In the end, if we allow our Lord to do all He desires, our lives will bear good fruit.

But on the flip side, make no mistake about the fact that, if our lives do not bear good fruit, we will be “cut down.” Bearing good fruit is not an option, it’s a must. It’s a clear indication of our spiritual health and it will become the measure of our eternal reward or eternal death. Do not be intimidated by such sharp language coming from our Lord. He spoke it in love so that we will know the serious duty we have to bear good fruit in our lives.

Reflect, today, upon the outward signs of your inward spiritual health. Do you see the virtues sprouting forth from your life? Are you aware of the work God desires to do in your soul so as to cultivate it and fertilize it with grace and mercy? Say “Yes” to Him this day and allow that grace to produce an abundance of good fruit.

St. Rita Altar Society – We will meet Monday, March 21st after the 6:00 pm Mass.

Cash raffle - St. Bernard will once again hold our annual cash raffle. First prize will be \$7000 and second prize will be \$3000. This year we will also have one early bird drawing of \$500 on Sunday, April 3rd with the grand prize drawing to be held on Sunday, May 15th. Both drawings will be held after the 8:30 am Mass. Tickets are \$30 each or 4 for \$100. We will also have a drawing for a handmade quilt made by our quilters group. These tickets will be \$2.00 each or 3 for \$5.00. **Tickets are on sale in the narthex after Mass on Sunday's.**

Mass Intentions – With the influx of deaths the past couple of years, there have been more than normal amounts of mass intentions requested. While every effort is made to try and accommodate certain dates and Sunday's, the calendar has already been prepared through the end of 2022 with Sunday request already extended through January of 2023. Any mass intention requested now will not have a time slot available until February of 2023.

Cemetery – Please remember only flowers that hook on top of the stones or flowers held in stationary vases attached to the monument are allowed in our cemetery. No other items sitting in the grass are allowed. This poses a danger and makes it difficult for those that mow. If you have placed anything in the cemetery that does not meet the required criteria, please remove it. Otherwise, it will be removed for you and disposed of. Mowing season will soon be upon us. The little solar lights that many place in the cemetery are especially dangerous for the mowers as well as visitors to the cemetery. These become projectiles when hit by a mower or weed eater and leave broken glass and plastic in the cemetery. Please do not use these unless they can be attached to the stone or securely placed in the stationary vases.

Correction to St. Bernard Statue Update: We have collected the full amount to be able to purchase and order the statue. However, there is a hefty shipping fee attached to this item so it is still not too late to make a donation toward this project. A sincere thank you to all who have already donated.

A Lenten Prayer to Begin Each Day – Dear Lord, as this day dawns along my Lenten journey, open my eyes to how I can follow you more closely along the road of love and self-sacrifice. Give me a heart that's grateful so as to recognize your countless blessings and generosity so as to share all I have

with others. May I comfort you in your Holy Passion by comforting others in distress I meet along my daily road – especially the poor and forgotten. May I show true sorrow for my failings with a sincere resolution to overcome my faults with the help of your infinite mercy. I entrust all this to you through your loving Mother, whose tender love I trust will guide my steps to lasting hope and eternal joy found only in you. Amen.
