# **INQUIRY APPLICATION**

**Welcome and thank you** for inquiring about qualifications and initial pre-application to Deacon Formation of the Diocese of Kalamazoo.

This is an exciting time as you listen to the prompting of the Holy Spirit regarding a potential vocation. This is also the first-step in pursuing knowledge about the role of the deacon; the program of formation leading to potential ordination (reception of the Sacrament of Holy Orders); and exploring initial eligibility.

This pre-application is a way for you to further inquire about the potential of joining formation and a means for those responsible for the application process to review several important and necessary considerations regarding a person's eligibility to pursue acceptance into formation. *Please note: all applicants must be sponsored by their pastor.* 

This initial process is confidential and enables the Diocese of Kalamazoo to verify the necessary freedom, or lack of freedom, a pre-applicant possesses to pursue formal discernment and candidacy for the reception of the Sacrament of Holy Orders. Please do not 'read into' the questions any negative connotation. By answering 'no' (or 'yes') to any of the questions provided does not imply potential acceptability nor ineligibility. Rather, one or more of your answers may alert us to the need to address and clarify any potential issues. All of the information requested herein will be requested formally during the application and formation process. We earnestly strive to address impediments to conditional acceptance into formation before the formal application process.

This pre-application will offer assistance to both the applicant and the Director of Deacon Formation in assessing the potential for entry into formal discernment and study. **Please provide initial contact information and answer each of the questions.**
