Prayer for the  
Intercession of  
**Saint Carlo Acutis**

**Saint Carlo Acutis**, you used technology to share the light of Christ. Intercede for us, that we—like you—may use our talents to glorify God. Guide us to use technology to spread the Gospel, share love, and build community.

Help us navigate the digital world with purity of heart. Teach us to keep Christ at the center of all we create and share. Remind us that every moment online is an opportunity for discipleship.

Inspire us to use our digital lives for good, not distraction. Help us become modern-day evangelists as we share the Good News.

**Saint Carlo Acutis**, pray for us, that we may boldly live our faith as instruments of God's love in the virtual world.

**Amen.**
