**Serve as God's agent in the world!**

**Dear Sisters and Brothers In Christ,**

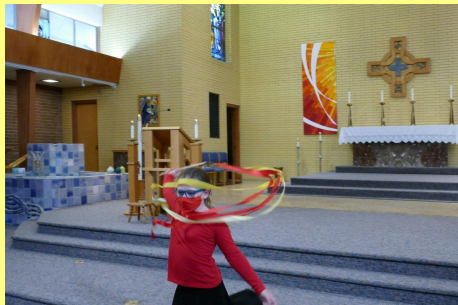

Your mission should you choose to accept it is to serve as God's agent in the world. Sounds like a line from a Mission Impossible movie. But this mission is very possible and ties perfectly to Jesus' message this week. We are taking a break from the Gospels of John and Mark for a week to hear the end of Matthew's Gospel. Here the Resurrected Jesus is talking about the Great Commission, "Go, therefore, and make disciples of all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit." Jesus is pointing to two ministries needed for a healthy Church: baptism and teaching. Without these, the Church would have never grown from a handful of disciples to 1.2 billion followers of Jesus in the Catholic Church alone. It is good to reflect on the importance of baptism on Holy Trinity Sunday since this is the formula that we have followed for two thousand years. Once God's love is instilled in our hearts, we, too, can grow in union with Jesus by reproducing the unity in all that we do. We, too, can become healers of division like Jesus and be his true disciples.

Peace...

### Important Parish Update

The Advocates will next be meeting with the Archdiocese on Monday, June 7th. Before that time, we expect to get answers to the questions posed at the listening session last month. We will share these with the entire community at the following page on our website:

<https://www.stpatrickseattle.org/news/important-parish-update>.

You will find all of the documents on our Parish Vitality there, too.

These were posted last week. Our advocate team has analyzed this data with the help of a world class statistician (and retired UW professor) Paul Sampson. He will join us on the call with the Bishop and Strategic Planning team to share his insights into the numbers. I know there are a small handful of frustrated folks who would like to take matters into their own hands and propose solutions to the Archdiocese independently. I would ask all of you to please work through the advocates. They are representing our parish well. Our parish community speaks the loudest with one voice. Thank you for your consideration.

### Introducing the Pastoral Planning

The Archdiocesan Pastoral Council has developed a new pastoral planning process for the Archdiocese in consultation with Catholics throughout Western Washington. We are now invited to prayerfully discern how we are living our faith and carrying out the mission of

the Church. This pastoral planning process provides the vision to help more people encounter Jesus. It is an invitation for parishes, schools, ministries, and individuals to more faithfully live out the mission Jesus is calling them to. Archbishop Etienne invites all Catholics to reflect on the mission, focus areas, and values.
