27th Sunday in Ordinary Time

Day for Life is the day in the Church's year dedicated to raising awareness about the meaning and value of human life at every stage and in every condition. The Church teaches that life is to be nurtured from conception to natural death. This year's *Day for Life* is being celebrated in Ireland on Sunday 2nd October on the theme 'Caring for the Older Person'. Pope Francis has recently offered a positive perspective. In his *Catechesis on Old Age*, he writes, *'The alliance between generations, which restores all ages of life to the human, is our lost gift and we have to get it back. It must be found, in this throwaway culture and in the culture of productivity.'* He invites us to listen to the dreams of older women and men and to learn from their wisdom (Joel 2:28). Older persons have a different rhythm to life from which we can learn. He continues, *'The arrogance of the time on the clock must be converted into the beauty of the rhythms of life.'*

A TIME FOR HEALING

Each of us has a need for healing in our lives. For some the need is greater than others. But each of us has a scar or wound in need of the healing presence of God. We have decided to introduce an evening for healing in **Cill Mhuire on the first Tuesday of each month beginning Tuesday the 4th of October at 7.30 pm.** Each evening will begin with Mass followed by a time of guided prayer for healing and finishing about 9.00pm. **Each evening** one of the priests of the parish will be available for anyone who would like to receive **Confession or the Sacrament of the Sick.**
