# *The Pastor's Post*

FR. VAUGHN WINTERS

Dear Parish Family,

In my twenty eight years of priestly ministry, I have been continually inspired by the commitment, love and sacrifice shown by couples living out their Sacrament of marriage and family life. I have also seen the challenges of marriage when called upon to assist couples spiritually when they experience struggles. I can see the wisdom of the Church, often questioned today, in asking priests not to marry. It would be a super-human challenge to fulfill the calling of being a priest, husband, and father all at once. Seeing husbands and wives persevere faithfully and joyfully in their vocation strengthens my resolve to persevere in mine. Sometimes couples can need outside help when they find themselves at a difficult point in their lives. The Retrouvaille Retreat is one of the great resources the Church has for couples having difficulties. We are blessed that these retreats for the Los Angeles area happen right here in Santa Clarita. See the information below and spread the word - these retreats are ongoing all over the country and world and provide valuable follow up sessions in addition to the initial weekend experience. Throughout my ministry I've seen Retrouvaille help.

## **RETROUVAILLE — YOU CAN HELP YOUR MARRIAGE**

Do you feel alone? Are you frustrated or angry with each other? Do you argue ... or have you just stopped talking to each other? Does talking about it only make it worse? Retrouvaille (pronounced retro-vi with a long i) helps couples through difficult times in their marriages. This program has helped 10's of 1000's of couples experiencing difficulties in their marriage. For confidential information about, or to register for the next program, beginning with a weekend on February 25th through February 27th, 2022 call 661-257-7980 or visit their website at:

Love in Christ, Your Pastor,  
Father Vaughn

## DIY SMALL GROUP

Looking to get a group started?  
We are here to help!  
Check out these resources.

For where two or three are gathered in my name,  
I am there among them. Matthew 18:20

There is nothing quite like having a small group of people you are close enough with that you can deeply share life, faith and friendship. We call those small groups of friends our soul friends. You might be feeling God prompting you to get together a few friends on a regular basis in hopes of spiritually diving deeper into faith and life together as a small group. If you don't know where to start, shoot me an email — [mmccarthy@saintkateriparish-scv.org](mailto:mmccarthy@saintkateriparish-scv.org) I would love to meet up for coffee to offer you encouragement and support. Meanwhile, check-out Chris Stefanick's suggestions for small groups on his website — [reallifecatholic.com/small-groups](http://reallifecatholic.com/small-groups). Small Groups focused on a desire to get to know God and each other better are powerful in our lives. They are gifts from God. Blessings, Molly McCarthy, Office of Evangelization

### ALL THINGS NEW

### Why another week on St. Joseph?

In God's providence, He is making the "hidden one" more widely known at this time in the history of the Church! Our world, our Church, our families need the example and intercession of St. Joseph NOW MORE THAN EVER!

St. Joseph is the hidden, silent, yet massive spiritual force behind everything we do in TMIY! The greatest fruit of TMIY would be that more and more men become like St. Joseph. Dr. Miravalle desires to help us encounter Joseph in a brand-new way. Have we come to know him personally and intimately as our spiritual father?

We meet every Saturday in the Parish Hall from 6:30 am to 8:00 am. Coffee and light breakfast is provided.

**See you there and bring a friend!**

### GOSPEL READING

**Luke 6:17, 20-26**

Jesus teaches the crowd the way to happiness.

#### **Seek First the Kingdom of God**

Today's Gospel offers a contrast to many of the messages we hear in our society today. If we were to accept uncritically the "get ahead" messages of our culture, we would think that happiness means having money, being successful, and having many possessions. In this way, we are not unlike the people who heard Jesus teach on the day that he taught the Beatitudes. They too associated happiness with possessions and success. The report of the Beatitudes in Luke's Gospel, however, takes things one step further. Not only will we not find happiness through the "get ahead" messages of the world but relying upon these messages will cause us harm. The warnings spoken are particularly challenging because they suggest that our way of life must change if we are to gain the lasting happiness of eternal life. Ask God to help your family seek the blessings of the Kingdom of God.

**How to help children cope with school shootings in the news** — School shootings are in the news often, and children can understandably develop major fears about them. Keep up with what your children are talking about — if they seem to be focused on school shootings, it can be helpful to talk about these types of violence in a balanced context. For more ideas about how to discuss this with your children, request a copy of the VIRTUS® article “Helping Young People Cope” at [lacatholics.org/did-you-know](http://lacatholics.org/did-you-know).
