RECONCILIATION (individual Confessions)

Monday through Friday — from 8:30 am to 9:15 am
Saturday Afternoon — from 4:00 pm to 5:15 pm.

Hello Family and friends,

I was asked to give a reflection on my years of formation thus far. It has been four years and on August 18, I return for my fifth year. This has been a great journey of trials, triumphs, and many treasures. The last time I wrote a reflection was when I introduced myself as I was entering formation, and this fifth year starts, I am excited to finish strong to achieve my Bachelor's Degree in Philosophy before I go to St. John Seminary.

Since I been in formation, I have grown in my involvement not just here at Saint Kateri, but in the Archdiocese. Thanks to Father Vaughn who introduced Camp Big Deal which was a week long leadership camp for Jr. high students, leading a high school men's retreat called Quo Vadis which asks a question, "Where are you going?" It's because of that question that I found my call to priesthood, alongside all the many prayers for vocation.

This summer as I finish my fourth academic year of formation, I continued to volunteer until June 9 in pastoral experience at Holy Cross Mortuary in Culver City. I assisted in calling families and helped with planning services for their loved one. Following Holy Cross, I was Head of Liturgy for Quo Vadis this year. Then came a week of great joy of Service with Teens on a Mission, which I participated in when I was in High School, then came a small break, but then around the corner was VBS. This year for VBS, we focused on another apparition of Mary, Our Lady of Champion. And by the grace of God, I was invited to visit with the Order of Malta at her shrine in Champion, WC.

Thank you all for you many prayer and support.

Many Blessings,

Steven Alvarado

Did You Know?

August 9-10|| Far-reaching Effects of Child Abuse

Children who suffer from sexual abuse run a greater risk of negative associated outcomes, not only with their mental health, but also suicidal tendencies, potential future abuse, more cognitive deficits, or lower educational interests and efforts. Abused children also are at higher risk for eating disorders, obesity, early onset of puberty, or chronic health issues. Ultimately, abuse has far-reaching consequences beyond childhood for many victims, and it is critical to act quickly to protect potential victims. It's important to remember that any intervention or supportive response from a safe adult can reduce the risk of many or all negative outcomes.

Come & See Discernment Retreat: Pilgrims of Hope, Stepping Out in Faith

Calling all Catholic, single women ages 18-45! Come and explore what it means to be a Pilgrim of Hope, hearing God’s call, stepping out in faith and exploring what it means to follow Jesus as a religious sister with the Dominican Sisters of Peace. At this free weekend retreat, you will also have the opportunity to speak with other discerning women and our Sisters, who will share their experiences of religious life, answer your questions, and provide helpful tools for discernment. For more information, visit: oppeace.org/become-a-sister or contact Sr. June Fitzgerald, OP (june.fitzgerald@oppeace.org ; call/text 570-336-3991)
