

St. Joseph Parish - Cleaning Team Schedule

Updated Dec. 29, 2021

Church Phone: (920)732-3770

Email: stjoseph@tm.net

Dear Cleaning Teams, Thank you for volunteering your time to keep our parish clean. Listed below is the information needed for cleaning. If you have any questions, please call the parish office. **THANK YOU!**

Normal scheduled cleaning time is 9am on Saturdays, however, you have from Wednesday afternoons until Saturday before the 4pm Mass to clean the church. If you would prefer to clean on a weekday instead of Saturday, please leave a message on the church phone so that we are aware of when your team will be in church cleaning.

If your assigned date does not work for your team, please contact another team to see if they can switch with you or call the office. Please contact the parish secretary, Kathy Kochan if you switch with another team or have any questions. A copy of the schedule will always be posted on the bulletin board by the East church entrance.

Information you need to know:

1. Team lead is responsible for unlocking and locking the church. The key will be in the lock box at the south entrance. Call the office for the security code. Please return the key to the lock box immediately after unlocking the door so that it does not mistakenly get taken with you when you leave.
2. Vacuums are in the room to the right of the altar in tall cupboard. Rest of cleaning supplies and cleaning instructions are in cupboard by East entry (elevator).
3. Report any supply needs or other seen issues to the office.
4. Make sure all doors are locked before leaving. The East entrance door by elevator is self-locking so it's a good idea to use that exit when leaving.

Clean the following:

- Vacuum church proper, entryway, altar and sacristy. Vacuum upholstered chairs if needed.
- Sweep all stairs and landings.
- Dust off pews, windowsills, and furnishings.
- Dust pew arm rests with pledge and a cloth.
- Clean all glass doors.
- Empty wastebaskets if needed.
- Check bathrooms for paper in stalls. Spot clean if needed.
- During winter months, wipe down entry stairs.

St. Joseph Parish**2022 Cleaning Schedule**
