FROM THE PASTOR'S DESK

Third Sunday of Lent

In the Gospel of John 2:13-25, we witness Jesus cleansing the Temple in Jerusalem with fervent zeal. This episode is not just a historical account but a vibrant call to action for all parishioners today. It invites us to reflect on the sanctity of our communal worship spaces and the purity of our personal involvement within our parish community.

As Jesus enters the Temple and finds it desecrated by commercial activities, His actions speak volumes about the respect and reverence we owe to our places of worship. The Temple, meant to be a house of prayer, had lost its sacred essence to worldly transactions. This Lent,

let us ask ourselves: How do we treat our parish? Is it merely a place we visit, or do we actively contribute to its sanctity and vibrancy? Jesus' zeal for His Father's house challenges us to ensure our parish remains a sacred space for spiritual growth and communion with God.

Moreover, the cleansing of the Temple underscores the importance of personal and communal purification. Just as Jesus cleared the Temple of all that was not fitting, we too are invited to cleanse our hearts of anything that distances us from God and one another. Lent is a perfect time to reevaluate our participation in parish life. Are we merely observers, or are we actively engaged in building a community that reflects the love and zeal of Christ?

Jesus' prophetic act of cleansing also points to the ultimate sacrifice He would make for the purification of all humanity. Our active participation in the parish, therefore, is not just about maintaining the physical space but about building the Body of Christ, a community of believers dedicated to living out the Gospel.

This Lent, let us respond to Jesus' call with renewed zeal. May we deepen our commitment to our parish not only as a place of worship but as a vibrant community where we actively contribute our time, talents, and treasures. In doing so, we honor Jesus' sacrifice and reflect His love and zeal for God's house in our lives.

MASS INTENTIONS

The Diocese has informed us that
we need to make changes on how
we accept intentions at St. James.
Going forward we will only accept
five Mass intentions per year per
household. Currently St. James has
only five Masses open for intentions
for the entire year of 2024.

If you would like to have a Mass
intention said for 2024, you can con-
tact St. Joseph's Parish to have the
intention prayed for there. Starting
in March, we will only accept Mass
intentions for March 2025. With
each new month in 2024, we will
accept intentions for that same
month in 2025. If you have any ques-
tions, please talk to Fr. Santy or
contact Kathleen at 863-2585, or at
secretary@stjamescooperstown.org.
