SPECIAL MEMORIAL CELEBRATIONS FOR PARISHIONERS WHO DIED THIS YEAR

Each year the Church traditionally denotes the month of November to praying for all the souls of the faithful departed. It is a corporal work of mercy to pray for the dead and we believe our prayers serve to benefit the poor souls in purgatory. Praying for our deceased sisters and brothers also helps us to remember them and keep their memories alive in our hearts and encourages others to continue to pray for them.

In conjunction with All Souls Day, I have traditionally offered a special mass at which I pray for all those from our parishes who have died over the course of the past year from November 1, 2024 – October 31, 2025. These are special and powerful Masses that rank amongst a liturgical highlight of the year. At the special masses, those who died this past year are announced by name and a candle is lit for each one of them under the cover of darkness. The candle represents the light of baptism of each person that dispels the darkness as they are lit in the form of a cross. At the end of Mass, the candles are presented to the families to take home as a memorial of the celebration and as a continued means of prayer and remembrance at home. This year the celebrations will be as follows:

SATURDAY, NOVEMBER 1, 2025 – 7:30PM at St. James Cooperstown.
SATURDAY, NOVEMBER 8, 2025 – 4:00PM at St. Joseph Kellnersville.

If you have experienced the death of a loved one and the funeral was held at St. James, they will be automatically included at the service on Saturday, November 1 at St. James, Cooperstown. If the funeral was held at St. Joseph, Kellnersville, the person will be automatically included at St. Joseph, Kellnersville. The regularly scheduled mass intention will also be included at the respective mass.

If, however, you have experienced the death of a loved one or friend and the funeral was not held at either parish this year, you are invited to have the person included in the ceremony by contacting the respective parish office for the service you will attend and provide the name no later than Monday, October 27 if you will be attending the service at St. James and no later than Monday, November 3 if you will be attending the service at St. Joseph. There is no limit to the names you can add, however we ask that the death taken place between November 1, 2024 – October 31, 2025.

This is a powerful and emotional Mass that you will not want to miss, especially if a loved one has died this past year. All are invited to attend the Mass, even if you do not have a person included in the Masses. Those who attended last year will remember the powerful presence of God and the beautiful celebration to pray for and honor the souls of the faithful departed.

I sincerely pray you can join us for this Mass,
 Fr. Brian
