Thank you for your tremendous generosity to the One-By-One campaign that was held in 2022.

Our portion of the funds were used to make much needed repairs to the south entrance of the Church as well as make the bathrooms more easily assessable according to ADA standards. Those projects have been completed. The good news is we still have adequate funds remaining from the campaign to replace the rectory roof at the cost of about \$30,000. This will allow us to complete this project yet this fall. The Finance and Parish councils have recommended that the remaining funds be used for that project and any remaining funds after that to be used for other major repairs of the church roof, which is also in need of repair.

If you have any questions about this effort, please contact me at (920) 272-8172 or one of our parish Trustees; Jim Wavrunek or Rick Knoflicek for more information.

If there is anyone who would like to contribute to the cost of the rectory roof in part or in full, please contact me, Fr. Brian at father-brian.sjcsjk2024@gmail.com or (920) 272-8172.

The more we can raise toward this project, the more we will have to use One-By-One funds for future projects.

Blessings – Fr. Brian Belongia
