During the season of Easter, what a great time to remember our mothers and ask for God's blessing on them. It is God who ultimately gave us life. It is through God's unselfish love mirrored in our mothers' willingness to associate their love with God's and take the risk to love us into life...that we have the opportunity for life. We remember our mothers this Mother's Day with much love. Let us pray for each of them:

God our heavenly Father, you give to each the ability to share your generative love. Bless those women in our lives who mirror your love and bring forth life through their willingness to risk bringing new life into this world. Help us to show them our gratitude for the gift of life and the gift of a mother's love. May our life-giving God continue to bless them and show them his unfailing love. We ask this through Jesus, God's Son and our brother. AMEN.

Heavenly Father, from the beginning you have chosen to entrust the human person to mothers in a special way. We thank and praise you for the gift of mothers; for their tenderness, care, and compassion, for their intuition and encouragement, for commitment and sacrifice. Bless all mothers this day. Keep, strengthen, and refresh them in your loving care. May they be blessed by our open-hearted love and gratitude. AMEN.
