Preparing for the Baptismal Font and Remodeling

Peace and good!

As we prepare for the installation of the permanent baptismal font, we will undertake a few updating projections in the Church that have been planned for some time. As shared with you in previous communications, the Church building will be closed during the weekdays beginning Monday, January 28th. I encourage you to please refer to the weekday Mass schedule in the bulletin and on the web site. It is our hope that the work will be completed in about three weeks. The following projects (refer to previous bulletins) will be taking place at this time:

- The tile in the narthex and hallway will be replaced;
- The carpet in the nave of the Church will be replaced (yes, there will be a change in color of the carpet);
- Tile will be installed in the area of the baptismal font; and
- The baptismal font will be installed once the tile and carpet has been completed.

The tile and carpet replacement is part of the parish's overall maintenance plan and is supported by your generosity to the Parish Facility Collection. The permanent baptismal font has been studied for several years. With the remodeling being planned for the tile and carpet, the Friars presented the need for the permanent baptismal font to the Finance Council and Parish Advisory Council, and then presented the need to Bishop Burbidge for his approval. The baptismal font was purchased through the generosity of a donation by the Knights of Columbus, Good Samaritan Council 6175.

The Parish staff wishes to thank the following parish ministries:

We thank our **parishioners** who participated in the **Blood Drive**. A special thanks to the parishioners who planned, prepared, and organized this event. Many blessings!

We thank our **parishioners** who participated in the **Rally for Life** in Arlington and the **March for Life** in Washington, DC. A special thanks to the **Respect Life Ministry** for coordinating the buses to the March for Life and to the **SJS Respect for Life Club**.
