

The Catholic Diocese of
Victoria in Texas

BASIC FORMATION FOR THE PARISH CATECHETICAL LEADER

A primary function of the catechetical office of the diocese is to provide training and formation for parish catechetical leaders (NDC, p. 224). This includes basic, advanced and on-going formation.

Training will be offered at the Chancery in Victoria. All PCLs who have not been trained are invited to register and participate in the following sessions.

“The single most critical factor in an effective parish catechetical program is the leadership of a professionally trained parish catechetical leader. Depending on the size and scope of the parish catechetical program, parishes should allocate their resources so that they are able to acquire the services of a competent and qualified catechetical leader (or someone who is in the process of becoming qualified and competent).” NDC p. 225
