

Men's Leadership Summit
Working Session with John Edwards

Our Mission

To awaken, equip, and empower Catholic men across the Diocese of Victoria to live out their faith boldly, lead their families with strength and love, and serve their parishes and communities in the spirit of Christ. Through prayer, brotherhood, and formation, we strive to build intentional men's groups in every parish, forming disciples who are forged in faith, strengthened in brotherhood, and led by Christ.

Our Vision

A diocese where every Catholic man is connected to a brotherhood of faith—growing in discipleship, strengthening their families, and becoming pillars in their parishes and communities.
