Go Make of All Disciples

From the Director of Discipleship Formation

Are you burdened?

Finding rest in Jesus should really give comfort to us, recognizing that we are never alone. Jesus, in today's Gospel, invites us: "Come to me, all who labor and are burdened, and I will give you rest." Whatever is burdening us, whatever is not allowing us to give praise to God, we need to let it go. I know that's easy to say but not as easy to do. When Jesus says, "you will find rest for yourselves. For my yoke is easy, and my burden is light," He is inviting us to rest in the Lord.

Having a childlike faith allows us to do this well. A childlike faith being more innocent and accepting is who Jesus wishes to reveal His Father to. Once revealed, we can lean on the Lord, casting our burdens down and allowing Jesus to lift us up. We can then take Jesus' yoke. "For my yoke is easy, and my burden light."

God bless,

Sean Calvin

Origin of the Rosary

The origins of the rosary are "sketchy" at best. The use of "prayer beads" and the repeated recitation of prayers to aid in meditation stem from the earliest days of the Church and has roots in pre-Christian times. Evidence exists from the Middle Ages that strings of beads were used to count Our Fathers and Hail Mary's. Actually, these strings of beads became known as "Paternosters," the Latin for "Our Father."

The structure of the rosary gradually evolved between the 12th and 15th centuries. Eventually 50 Hail Marys were recited and linked with verses of psalms or other phrases evoking the lives of Jesus and Mary. During this time, this prayer form became known as the rosarium ("rose garden"), actually a common term to designate a collection of similar material, such as an anthology of stories on the same subject or theme. During the 16th century, the structure of the five-decade rosary based on the three sets of mysteries prevailed.

Tradition does hold that St. Dominic (d. 1221) devised the rosary as we know it. Moved by a vision of our Blessed Mother, he preached the use of the rosary in his missionary work among the Albigensians, who had denied the mystery of Christ. Some scholars take exception to St. Dominic's role in forming the rosary. The earliest accounts of his life do not mention it, the Dominican constitutions do not link him with it and contemporaneous portraits do not include it as a symbol to identify the saint.

several centuries after his death." However, other scholars would rebut that St. Dominic not so much "invented" the rosary as he preached its use to convert sinners and those who had strayed from the faith. Moreover, at least a dozen popes have mentioned St. Dominic's connection with the rosary,

The rosary gained greater popularity in the 1500s, when

Moslem Turks were ravaging Eastern Europe. Recall that in 1453, Constantinople had fallen to the Moslems leaving the Balkans and Hungary open to conquest. With Moslems raiding even the coast of Italy, the control of the Mediterranean was now at stake.

In 1571, Pope Pius V organized a fleet under the command of Don Juan of Austria, the half-brother of King Philip II of Spain. While preparations were underway, the Holy Father asked all of the faithful to say the rosary and implore our Blessed Mother's prayers, under the title Our Lady of Victory, that our Lord would grant victory to the Christians. Although the Moslem fleet outnumbered that of the Christians in both vessels and sailors, the forces were ready to meet in battle. The Christian flagship flew a blue banner depicting Christ crucified. On October 7, 1571, the Moslems were defeated at the Battle of Lepanto. The following year, Pope St. Pius V established the Feast of the Holy Rosary on October 7, where the faithful would not only remember this victory, but also give thanks to the Lord for all of His benefits and remember the powerful intercession of our Blessed Mother.

The fact that our Church continues to include the Feast of the Holy Rosary on the liturgical calendar testifies to the importance and goodness of this form of prayer. Archbishop Fulton Sheen said, "The rosary is the book of the blind, where souls see and there enact the greatest drama of love the world has ever known; it is the book of the simple, which initiates them into mysteries and knowledge more satisfying than the education of other men; it is the book of the aged, whose eyes close upon the shadow of this world, and open on the substance of the next. The power of the rosary is beyond description."
