

The VINE & BRANCHES

3RD SUNDAY IN ORDINARY TIME
JANUARY 21, 2024

The Third Sunday of Ordinary Time (January 21, 2024) has been singled out by Pope Francis as a day to celebrate the Word of God. The reality of God's revealing and saving Word is so much more than what is found on the pages of the Bible. The gospels were experiences of Jesus before they were reflections formed by the preaching of the Gospel by Matthew, Mark, Luke and John for their communities. The Word of God is not contained in ink printed on paper but in the human interaction between proclaimer and listener. This is one of the reasons the invitation at the end of the readings at mass no longer includes: "this is..." the Word of the Lord. We respond "Thanks be to God" not for the Words printed in the Lectionary, but for the force of God's Word: the two edged sword that has the power to pierce hearts and cause us to respond in action for reconciliation, peace and justice.

The Scripture proclaimed in the midst of God's spirit filled people, is sacrament because it is an encounter with Christ that occurs between believers. This is why we are encouraged not to "read along" with the readings, but to look and listen and be attentive to the one proclaiming God's word. *Continued on p. 2*

... *Continued* We revere the Book of the Gospels not only for the words printed in it, but more importantly for the challenge and consequences of its proclamation in our lives and in the world.

The Liturgy of the Word is no less an encounter with the presence of the Risen Lord than our sharing in his body and blood. This first part of the mass is a dialogue between the creator and the created, between redeemer and redeemed. We respond with periods of silence in between the readings, and by singing the Responsorial Psalm. We respond to the Gospel by standing and singing “Alleluia” and by unfolding its meaning in our lives today in preaching. The Universal Prayers are also a part of our response to the Word of God, as we begin to commit to take what we have received and live it. The Word is thus broken and shared like the Eucharist which follows its proclamation. “

What can you do to open up riches of the Scriptures in your own life?

1. The Gospels were written, along the writings of the prophets and the Pauline letters for public proclamation. Read the Sunday readings, out loud, even if you are alone. I find that I often hear and find things I would never have found reading in silence.
2. Buy a blank book and begin a journal, reflecting on the Sunday Word before you attend mass, including questions the Word raises in you. You can also include reflections that arise in you after Mass.
3. Consider sharing in the vital ministry of the Lector, who proclaims the readings at Mass. I know my faith was inspired by seeing my parents as liturgical ministers. What impact could this witness have on your children, or grandchildren, friends and neighbors?

In the inspired words of St. Paul: “Let the word of Christ richly dwell within you, with all wisdom teaching and admonishing one another with psalms, hymns, and spiritual songs, singing with thankfulness in your hearts to God.” (Colossians 3:16)

Jesus and the Eucharist: A Small Group Series for Eucharistic Revival

Friends, as we continue this year of Eucharistic Revival, we would like to invite you to grow closer to Jesus alongside fellow parishioners through the “Jesus and the Eucharist” presentation at Our Lady of the Woods Parish. This study was specifically designed for this Year of Parish Revival, and we will be joining many other parishes throughout the United States in participating in this small group study as we journey together through this three-year National Eucharistic Revival.

Each session is full of rich theological content, powerful testimonies, and unique and timely messages from individual bishops across the country as well as small group discussions about each weekly session. This is a great opportunity to dive more deeply into the richness of our Eucharistic faith.

This study will be a special time to grow in community within our parishes as we walk this sacred year together, and we really desire you to join us. To make the series available to as many people as possible we will have presentations on three days of the week and at three different times of the day. Each of the three presentations are once a week for seven weeks and registration will be required.

Presentations will be held on:

Tuesday mornings 10:00 am to Noon, starting January 30th.

Wednesday afternoons 12:30 to 2:30 pm, starting January 31st

Thursday evenings 6:30 to 8:30 pm, starting February 1st.

This is a small group presentation and each session will be limited to a maximum of 10 participants, so register today to assure your spot in a session. Hospitality will be provided, and we hope to see you there!

Go Make of All Disciples

Are you ready to leave your nets?

In the last few years, parishes have been asked to pray about and discern ways to become more mission oriented. Does that mean what we have been doing is bad? NO! It means that in some cases, what has happened in the past no longer works. That means we have to give ourselves permission to stop doing some things that worked well at one point in our history but maybe do not work anymore. We cannot just keep doing things "because we've always done it that way." As you've been invited to volunteer roundtables in parishes around our Family of Parishes, we've done that so you can contribute to that prayer and discernment.

In the Gospel of Mark today (1:14-20), Jesus invited Simon and Andrew to "Come after me; I will make you fishers of men." In this same vein, Jesus is inviting every person in our parishes to step up, follow Jesus' call to follow him, and be involved in the mission of the Church to abandon things we should not be doing and go out and catch fish (people!). You'll see this week is the first gathering of our Volunteer Roundtable meetings where we will look at plans in our Family of Parishes, seek input from you, and get some commitment to be a part of this exciting time in the life of our parishes.

Pray for Life!

This Monday, January 22 at 6:30 at St. Joseph, we will pray as this day marks the "Day of Prayer for the Legal Protection of Unborn Children. Of course this is one very important aspect of praying for life, but there are many other as well - the elderly, the homeless, immigrants. On this day let us remember that all life is sacred - from womb to tomb.

God bless, Sean Calvin

You're Invited To A Volunteer Roundtable

All volunteers from all parishes within our Family of Parishes are invited to attend a Volunteer Roundtable introducing the Missionary Strategic Plan that has been developed and to learn more of how you can share in the vision of the local Church, discover how it will impact you and how your participation is essential to its success.

Smiles

Have you ever wondered about what happens when a newborn baby is placed in someone's arms? Well, as Father Marc pointed out in a recent homily at a funeral, the recipient smiles. Every time. Even old, crabby curmudgeons will crack a smile when asked to hold a newborn child.

Why is that? Well perhaps it is because, as we all learned in Genesis, every human being is made in the Image & Likeness of God. Each newborn child is an Image Bearer of a good & gracious God. And when you look at that little Image Bearer, you just have to smile.

That's why it is important to remember Sanctity of Life Sunday every year. To remember that each little child, no matter the circumstance it was conceived in, is made in the image & likeness of God. And once it is conceived, God has a plan for that child.

It's also important that we, as a Family of Parishes, be also committed to providing couples, and especially women, the material, economic, and emotional support they need to choose Life for that child.

In Michigan today, women have a choice on what happens to each preborn child. Let's help them make the right choice, The Other Choice. Life. And make our good and gracious God, Smile.

St. Joseph 3rd Grade

We are learning so much in third grade this year! The third graders are very eager to learn everyday.

In religion we are learning about the many different saints in the Catholic church. Students were all asked to pick a saint and share a report with the class. Students found out about their saint was their birth/death dates, their feast day, what they are the patron saint of, and what they did to become canonized as a saint. Altogether, we learned about 20 different saints! Some saints we learned about were St. Therese of Lisieux, St. Patrick, St. Paul, St. Francis, and many more.

In English Language Arts students have been working on peer reviewing and editing skills on a piece of writing. They are improving their skills when it comes to recognizing mistakes and making corrections during the writing process. Our Christmas writing assignment was an opinion piece on why the Christmas sweaters they designed with various art materials, were the wackiest in the class. They worked on using descriptive adjectives to bring their writing to life. Third graders did a wonderful job using expressive language on this project.

We are looking forward to learning more in all subject areas and growing in our faith as the year progresses!
