

# The VINE & BRANCHES

EASTER SUNDAY  
MARCH 31, 2024

**E**aster is a feast that repeats itself. Every year, as spring arrives, we experience a new beginning, and continue to celebrate with great joy for seven Sundays. But Easter also repeats itself throughout the rest of the year: every Sunday is a “little Easter” as it is the Risen Lord we encounter at mass in the person of the Presider, in His Word, in the members of the Assembly and in His Body and Blood. This multi-faceted presence of the Lord is a great source of reassurance and joy in my own life...

In addition to Sundays, Easter repeats itself whenever a loved one dies, because even as we grieve our hearts remind us of the hope of the resurrection we experience each year. We need that hope in our lives. The death of a relationship, the loss of a job, moving to a home are also experiences of loss in our lives that cause us to move from sadness and despair to joy and hope in the new life Christ offers us even in moments of change in our lives.

Easter repeats itself in the sacraments, as married couples rise to new life by loving and forgiving each other, the sick rise beyond despair as they are anointed with the oil of the sick. Priests are ordained to be the sacrament of Christ the Servant. We are washed in baptism, anointed in confirmation and sustained by the Eucharist. This journey is recapitulated and renewed in the sacrament of reconciliation.

Easter repeats itself in creation as the world around us blooms and grows again, and we are reminded of the sacrifices necessary to preserve the marvelous gift of creation for generations to come.

Easter repeats itself for me through every one of you. Through your strong faith, exercised in humble service, you constantly remind me that the Risen Lord remains in the world in and through his imperfect but redeemed body, the Church.

As often as sin and death return to frustrate us and distract us, recall that the events of Holy Thursday, Good Friday and Holy Saturday. They are constantly made present to us again along with their saving power through the Risen Lord. Sin and death repeat themselves, but Easter's Risen Lord always has the last word! May your Easter fill you and your loved ones with hope.

# Go Make of All Disciples

**Jesus has been raised from the dead! Alleluia! Alleluia!**

We certainly welcome each person that has come through the door of the Church today! We celebrate the Resurrection of Jesus from the dead this day, we begin the Easter Season. This is not just a day, but 50 days! We just concluded a season of 40 days of fasting, prayer, and abstinence. During Lent, we prepare, we hope, we try to put aside all that is not of God so we can be fully ready for this day: Easter! What we do in Lent is necessary; however, we rejoice for 50 days! As we celebrate the dying and rising of Jesus, we don't just recall an event of the past, but truly make present again these last few days the Passion, Death and Resurrection of Jesus.

The Easter Season is a great baptismal season. In our parishes, our Easter Vigils are flooded with the waters of new birth as adults are baptized. We welcome each of them and thank God for their "yes!" It is a reminder to us of our own baptism, our own dying and rising to new life. In baptism, we die to our former selves and become a new creation in Christ. So, each time you see a baptism during Mass (especially in the Easter season), rejoice that members are added to the Body of Christ!

If you are visiting for the first time, I pray you found in this place a place you desire to continue to celebrate the Resurrection of Jesus Christ with us. If you have questions or would like to know more about our parishes, please feel free to reach out! We're here for you and we welcome you!

God bless,

## Christnet Help Needed

Christnet is a homeless shelter for the downriver area. They have a day center on Eureka Rd in Southgate, but in the evenings the guests are bused to churches downriver who house them for the evenings for a period of one week.

The Grosse Ile Interfaith Committee will be hosting up to 30 guests for a week in April. We will need volunteers to help out right here on Grosse Ile. Sacred Heart is responsible for Tuesday, April 2 and Saturday, April 6 at St. Thomas Lutheran Church.

Volunteers will stay for one of the overnight shifts. Shifts are as follows:

### Tuesday, April 2

5:30 PM to 10:00 PM (one male needed)

10:00 PM – 2:00 AM (one male and one female needed)

2:00 AM – 7:30 AM (two males and two females needed)

### Saturday, April 6

5:30 PM to 10:00 PM (two males needed)

10:00 PM – 2:00 AM (one female needed)

2:00 AM – 7:30 AM (two females needed)

There is also a need for a group to take on the meal on Tuesday night. And cookies are always welcome for the two nights (no peanut butter cookies please).

**If you are interested in helping with this ministry, please call Tom and Donna Plegue at 734.624.3294.**

## WELCOME NEW KNIGHTS

Your Knights of Columbus here at St. Cyprian are happy to announce that, during our ongoing membership drive through the intercession of Blessed Michael McGiveny and the Holy Spirit, two additional men of our parish stepped forward and answered the call to join our council along with the eleven men who have joined this fraternal year. Please keep them in your prayers as they embark on following the Pillars of Charity, Unity, and Fraternity of the Knights of Columbus. Please welcome the following two men who completed their Exemplification in becoming 3rd Degree Knights. They are Brendan Contreas and John Fox. Let us put our faith in action together as Brother Knights! I would love to speak with you about joining, as we grow together as husbands, fathers, and Catholic men. Please give me a call or one of the officers listed below. I will close with the theme of our recent national convention, "First in Faith and Charity".

## St. Joseph celebrates 175 years as a Parish!

Join us in celebrating our 175th anniversary by coming to our 10:30am Mass on April 14 with Archbishop Vigneron. We will continue celebrating by hosting hospitality in the activity center. The Church and School will be open to walk through for you to go down memory lane.

## Happy March!

March is Reading Month, and it has kicked off in our school. Throughout March, the students have enjoyed weekly flashlight reading, various school-wide reading-themed dress-down days, and other reading-based activities and fun. Grades preschool-third have enjoyed weekly mystery readers. Parents and other family members have had the opportunity to visit the classrooms and read stories to the students. Last week, the students enjoyed "Read a shirt/hat" day, students had to wear shirts and or hats that they could read to school.

In first grade, the students are gearing up to learn about seasonal patterns in science. In our first chapter students will learn about the length of day and night and how the amount of daylight affects our daily activities. In social studies, our class has been learning about life in the past. The students have been able to compare life experiences now with those in the past and discuss how much things have changed. I have also been able to share what life was like when I was their age and how technology has changed.

Blessing,

Mrs. Mullins and the first-grade class
