## Go Make of All Disciples

### Are you a teacher or a witness?

I was recently at a diocesan conference and something that was said has stuck with me since. It's something I would have read at the seminary but it just hit me differently at the conference. It's a quote from Pope Paul VI in an encyclical on evangelization. It's basically the idea that people now respond to witnesses over teachers. What is a witness? It is someone who shares the faith through the example of their life. Now, there are times when we need teachers and the gifts of teachers are immense and needed. Teachers are a foundation of education and other modes of learning.

A witness to the faith is someone who takes what they have learned, applied it to their lives, and desires other people to come to know and love Jesus. Recognizing that we are all children of God, and that God has gifted each of us with the freedom to choose Him, I encourage you as a disciple of Christ, to be a witness to the faith. You don't need a theology degree to bring people to the Lord. You just simply have to tell people the impact your faith has had on your life. And that is done through the witness of the Gospel.

God bless, **Sean Calvin**

# 9th Annual Socktoberfest

Sponsored by  
Riverview Knights of Columbus Council 13980

During the month of October at all the weekend Masses, you can make a generous donation of new socks and shoes that will warm the Soles and Souls of men, women, and children within homeless shelters and the Downriver area. Donations will be collected in the gathering space of St. Cyprian Catholic Church. **For sanitary reasons please donate new items only.** Socks will be donated to St. Vincent de Paul, local charities, veteran organizations, and homeless shelters. Shoes will be donated to St. Joseph Catholic Church, to support their St. Nicholas Day Shoe Drive and will also be distributed to individuals in the Downriver Vicariate.

Thanks to the generosity and kindness of St. Cyprian parishioners over the past eight years, over 15,000 pairs of socks and shoes were distributed to people and made a big difference to them especially during the winter months! We thank you in advance for your generosity and support this year.

## St. Cyprian Food Pantry

We, Sister Ann and Sister Margaret, feel very blessed to have the opportunity once again to be in the service of coordinating the St. Cyprian Pantry. We are grateful to Father Marc, and Patty Saenz, for their acceptance. Our history of working in the pantry dates back to the days of long ago when it was an emergency pantry under the auspices of the St. Vincent de Paul Society of St. Cyprian and was coordinated by Cliff and Ruth Moening.

Life evolved and the shift was made to have a weekly pantry and part of the Christian Service ministry of St. Cyprian. During the years we were on staff, we came to know first-hand the incredible generosity of St. Cyprian parishioners in donating food and resources to purchase food as well as many volunteers who dedicated hours of work. When the pandemic hit, a decision was made to have the pantry bi-monthly, that is the first and third Wednesdays of each month. This is the current schedule. Now part of the usual distribution is frozen meat products - made possible because of the donation of several freezers.

While life has evolved over these decades, unfortunately, the number of people in need in our geographic area has not decreased. The first week of September, 56 boxes of food were distributed. There is no way that this ministry could continue without the consistent dedication of a host of volunteers - we thank you! Nor could the pantry continue without the generosity of the parishioners of St. Cyprian - we thank you in advance for your collaboration in this needed ministry to our sisters and brothers in need.

**Sr. Margaret and Sr. Ann**

## St. Joseph's 2nd Grade

We have been learning so many new things in Second Grade so far this school year! We just finished a chapter on welcoming people into the Church in religion, and we are now learning about the sacrament of Baptism. We have done such a great job listening to the readings and what Father Marc is teaching us about each week during our school Liturgies.

In reading we have been focused on the fantasy genre. We know everything is make-believe, but it is so fun and silly to read stories about sharks going to school and cute puppies scaring an entire town! When we have center time in class, most of our activities have to do with the same theme from our weekly story. Last week we made our own sharks out of Playdoh and this week we are making cute puppies with big, googly eyes. We have also made our own shark and puppy stories and have done shark and puppy math. Whenever we have an extra few minutes in class, Mrs. Kelly reads from *Freckle Juice*, by Judy Blume. It's about a boy who loves freckles and will do anything to have his own. He pays a classmate to get her secret recipe for getting freckles...a disgusting mixture of ingredients he must drink to get his own freckles!

One of our favorite new activities in Second Grade is being able to independently read our own choice of books during D.E.A.R. time. Drop Everything And Read is a relaxing time in class right after lunch and recess where we can sit wherever we want around the classroom and just enjoy a good book. This time helps promote the joy of reading.

In science we have been learning about the needs of plants. We have been participating in a lab where groups of students have four plants: one plant gets full sun and water, one plant gets shade and water, one is in complete darkness and gets water, and one doesn't get any water or any light. Every two days the groups have been watering the plants that get water and measuring each plant and recording the information in a table. After a month, we will see what has happened to our plants and make a conclusion as to exactly what plants need.

We hope you have gotten an idea about what it's like to be in Second Grade at St. Joe's and have enjoyed reading this as much as we have enjoyed learning!
