## A Pastoral Note to Migrants from the Catholic Bishops in Michigan

### Dear Brothers and Sisters in Christ,

We, the Roman Catholic Bishops in Michigan, write to offer our continued pastoral and prayerful support for migrant individuals and families who over the course of time have entered the country and today are making a living in this state. Our fraternal closeness to you and other immigrants, refugees, and those seeking humanitarian asylum is rooted in the Gospel of Jesus Christ, where we find “I was thirsty and you gave me drink, a stranger and you welcomed me... Whatever you did for one of these least brothers of mine, you did for me” (Matthew 25:35,40).

We hear and empathize with families across the state who express anxiety and fear over mass deportations and harmful rhetoric that broadly demeans our immigrant brothers and sisters. As shepherds of our flocks, we pledge amid such uncertainty to promote through the Michigan Catholic Conference and in our respective dioceses unyielding support and respect for the human dignity of all migrant people in our midst.

We urge our elected officials to support policies that keep immigrant and undocumented families safe and united, and to protect those who arrived as children. We call on the Michigan congressional delegation to work for a humane immigration system that welcomes refugees and immigrants by providing a fair pathway to citizenship; one that also keeps borders safe and secure from criminal activity, including human trafficking and the smuggling of illegal drugs.

Mindful of the dire conditions from which many travel, oftentimes with children through great difficulty and despair, we encourage you, our migrant brothers and sisters, to be strengthened by our Lord’s words “Peace I leave with you; my peace I give to you... Do not let your hearts be troubled or afraid” (John 14:27). Never fail to keep your faith and hope in our Lord Jesus Christ, who promises a divine kingdom that we strive to inherit and together call our true home.

With abundant love and trust, we ask Our Lady of Guadalupe to hear the cries of the suffering and offer to her maternal compassion and protection all who seek her heavenly intercession.

# Stephen Ministry

Most people are much more open to giving care than to receiving it. When giving care, we feel stable and secure. When receiving care, we can feel like we're acknowledging weakness, insecurity, and vulnerability. As a result, there are countless people today who, though they really could benefit from a fellow Christian who would listen and care for them, instead tough it out on their own.

But God did not create us to be independent. God's Word is clear on this. The New Testament includes more than 50 verses that contain the words "one another"—"love one another," "encourage one another," "build up one another," and "pray for one another." That means it's reciprocal; in addition to loving, encouraging, building up, and praying for others, we are to allow other people to do the same for us!

That's why we have Stephen Ministers. Many of them have been on the receiving end of care in their lives. They know how difficult it is to ask for help, but they also know the great personal and spiritual growth and healing that follow. They know how to respond in a loving, caring, and nonjudgmental manner. They are equipped, ready, and waiting to provide the comfort and care God very much desires you to have.

But hurting people may need help overcoming the barrier to accepting care. So if you find someone who is hurting and could benefit from having a Stephen Minister to walk with them, encourage them to give it a try, and seek their permission to pass their name along to one of our Stephen Leaders (Jaime Calvin, Patty Fritz Saenz, or Sean Calvin). Or, if you find yourself facing difficulties in life, be open to receiving God's love and grace through another person. Our Stephen Ministry offers the opportunity for a very confidential relationship with someone who will listen to and provide sorely needed care and encouragement.

For more information on Stephen Ministry, contact [fopstephenministry@gmail.com](mailto:fopstephenministry@gmail.com) or call 734-818-3005.

## Discover the Beauty, the Riches, and the Profound Meaning of the Mass

Through the Mass we encounter God in the most intimate way possible as we hear Him speak to us in the Liturgy of the Word and as we receive Him Body and Blood, Soul and Divinity in the Holy Eucharist.

The words, the gestures, and the rituals of the Mass are rich in meaning. The Mass transcends time and space as it makes present to us the life, death, Resurrection, and Ascension of our Savior, Jesus Christ. Everything we say and do in the Liturgy is steeped in biblical language. A BIBLICAL WALK THROUGH THE MASS explores the extraordinary biblical roots of the Liturgy.

This fascinating tour of the Mass will renew your faith and deepen your love and devotion for the Holy Eucharist.

## Sacred Heart's High School Youth Ministry Group

Is your teen looking for a way to continue to grow in their faith as they journey through High School? Are they searching for opportunities to serve others in the community? Encourage them to join the Sacred Heart Youth Ministry Group. The goal of the group is to guide our youth in the continual pursuit of growth in their faith and to become active participants in the Parish Community, all while having fun with their peers. We will encourage a celebration of each youth's personal and communal gifts in a safe and accepting environment and promote putting faith into action through service. We now have Room 10 in the Parish Center dedicated to the Youth Group. It is a space where all are welcome and it is equipped with a six-foot cross, games, big screen TV, comfy furniture and more.

## St. Joseph's 5th Grade

Wow, we are halfway through the school year! The Fifth Graders are well rested after their Christmas vacation and ready to begin another quarter of fun learning with their classmates and friends! Since many of us spend time with our families during the holidays, it was the perfect opportunity for the students to do some research for their Family Tree Project. They interviewed their moms and dads, grandparents and great-grandparents. In doing so, they learned that many of their family members came to the United States from other countries, and with them they brought customs and traditions that hopefully will be passed down for generations to come. They listened to wonderful stories told by family members and shared them with their classmates. What a wonderful and positive experience for the students!

God Bless, Mrs. Searls, Grade 5

## Cursillo

Our Responsorial Psalm today tells us to *"Proclaim His marvelous deeds to all the nations. Announce His salvation day after day. Tell His glory among the nations; among all peoples, His wondrous deeds!"*

Is it possible that thru prayer, God has let you know that He is yearning for a closer relationship with you, that He wants to show you how to live for Him? How to proclaim His marvelous deeds? I would encourage you to listen carefully to that still, quiet, voice. Then, if He leads you to it, give yourself the gift of God! Say YES to a deeper relationship with our Lord. Become one of the many thousands who have made a 3-day Cursillo weekend encounter. It's truly life-changing! Come learn about all God has to offer while experiencing His love, forgiveness and presence in your life. The Cursillo experience is unique and you will delight in discovering how God makes His presence known to you. Christ, through the Cursillo and through His Grace, will invite you to a personal relationship with Him. Say yes to this invitation and you will never be the same!

**Testimony:** I experienced Cursillo in 1989. Fr. Charles Morris was one of the Spiritual Advisors on the weekend along with Fr Jim Mayworm. I entered the weekend as a self-proclaimed agnostic. I left with a lifelong love for the Lord and a true understanding of my life's meaning. I can't stress enough how powerfully God works through this movement! Paul Sevin-Chesterfield, MI
