Please be generous in this week's special collection for the Catholic Campaign for Human Development. In the United States, over 11% of the population lives in poverty. Through this collection, you support programs that address the root causes of poverty and provide a sustainable future for those struggling across the country. In addition, 25% of the funds we collect remain in our diocese to fund local antipoverty projects. Please prayerfully consider how you can support this collection and those working on the margins. More information about the Catholic Campaign for Human Development can be found at [www.usccb.org/cchd](http://www.usccb.org/cchd).
