Monthly News from SPS

Principal Notes

Dear Saint Paul Families,

Tomorrow begins our Lenten journey for the next 40 days! Please join us for Ash Wednesday Mass at 8:45am. [Click here](#) for a flier that outlines our special Lent activities, and I want to thank the Lent committee and the NJHS students for planning some wonderful service projects.

By now I'm sure you have received my email about adding another PreK-3 classroom to the school, hopefully this summer. More information will be coming soon about the project! If you haven't already bought your tickets to the auction (attending or non-attending tickets per the fundraising agreement) there is a link on page 5 of this newsletter. I hope you can join us!

Wishing you peace, prayerful reflection, and a thirst for growing in your faith in the weeks ahead.

Jill Conaway

Summer Camp...

Saint Paul School is happy to announce that our very own, Jenna Bereski (Pre-K3 Teacher), will be taking on the role of Summer Camp Director!

Miss Bereski is very excited for this new opportunity and looks forward to taking over the helm of our fun-filled summer program. Mrs. Bolard (Bradley) will be supporting and training Miss Bereski this summer. We are so very thankful for Mrs. Bolard's years of dedication to our summer camp program. She has offered so many wonderful experiences for all the campers, staff and counselors!
