Color in the box when the activity is done!

June

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
Fill in the missing numbers on the June calendar. Don't forget to skip the weekends!	How many days are in this month? Complete the activities.	Write the compound word next to each picture.	Say each word. Decide if the vowel sound you hear is long or short.	Write a fact family for the numbers 6, 5, and 11. Complete the number bond.
Add 10 more or 10 less to the numbers that are listed.	Draw and label a word for each long vowel sound.	Complete the addition problems.	Fill in the correct punctuation marks.	Color the words by the code: Nouns = purple Verbs = blue Adjectives = green
Make each noun plural by adding -s or -es.	Fill in the correct symbol for >, <, or =.	Read the words. Write 2 words that rhyme.	Show each number by drawing tens and ones.	Tell about a trip that you would like to take this summer. Make sure you include many details.
Draw a picture to solve each story problem.	What will you miss most about your class this year? Why will you miss this most?	Divide the rectangle into 4 equal parts. Color 1 part. Write the fraction.	Write how many tens and ones are in each number.	Write or draw a story problem for the number sentence $9 + 6 = 15$
