

# FAMILY TESTIMONIAL

---

Saint Paul Parish and School have been part of my family's life for over 60 years. When we moved to Berlin in the early 1960s, we attended Mass each week under Monsignor Thomas Greylish, who was the pastor at the time. He had just overseen the building and opening of Saint Paul Junior High. My parents valued a strong Catholic education, so I was enrolled there beginning a lifelong connection to a school that still holds a special place in my heart.

Years later, our own children attended Saint Paul School, and my husband and I became deeply involved—serving as Home and School Association treasurer, Development Director, and School Board Chairs, among various other roles. We were all in, grateful to see our children thrive and benefit from all the school had to offer, as I once did.

We feel truly blessed to have such a wonderful school in our parish and remain committed to supporting Saint Paul so that future families can enjoy the same quality, faith-based education for generations to come!
