News from Fr. Reilly's Desk

Dear Parishioners,

The journey from childhood to being grown-up is the one on which our schools accompany our young people, working hand in hand with their families. It's the journey out of self-preoccupation and into Love for others and for the world, the most challenging journey of all: to Grow in Love after the heart of Jesus.

Catholic schools throughout the United States, including our own Saints Peter and Paul Catholic School, are celebrating Catholic Schools Week from January 25 to 31. The logo and theme emphasize several core concepts that are at the heart of a truly Catholic education and not just Catholic in name. Catholic Schools: United in Faith and Community.

First, Catholic Schools like Saints Peter and Paul are truly communities, small families in their own right, but also members of the larger community of home, Church, city and nation. Faith, knowledge and service are three measures by which any Catholic School can and should be judged.

Today, I would like to give some of the main reasons why being the pastor of a parish with a Catholic school is so important to me.

First of all, a full-time Catholic education instills in students the conviction that objective truth exists and is honorable. We live in a culture and time that is ruled by a "dictatorship of relativism" that says there are no absolute truths, just many opinions. I am grateful therefore to be pastor of a Catholic School where we can teach all week that truth has a name - Jesus Christ - and that in seeking, knowing and living the truth in the classroom, on the playground, and in the home, our students will find the freedom to become truly happy, holy and wholly themselves.

I am grateful to be a pastor of a Catholic School where we can teach our students their great dignity as a human being, created by an all-good God as opposed to a random, godless mindless process.

We can teach them respect for the dignity of others from conception, all the way into eternity (That's right, we can say in a Catholic School that there is a heaven and a final judgment).

I am proud that we can proclaim with no restriction that every single one of us matters, so much so that Jesus Christ died for us.

A full-time Catholic education is one of the most effective ways to form students in moral virtue. In our world today, we no longer can agree upon what the "good life" looks like. And thus, we live in a broken culture where violence, shouting, bullying, ostracizing, and rudeness are regular behaviors.

I am proud to be the pastor of a Catholic School, where based on the Bible and the Ten Commandments, discussions about how to better practice generosity, honesty, respect, tolerance and love are "regular behaviors."

Every time we celebrate Mass as a school family, I remind and challenge the students that by living out their Catholic faith, each of them were called by God to change the world by loving God and others. In a sense they are called to save people by the virtue of love.

When I think of people who save people, I think of those who put their life on the line for others; and yes, I even think of superheroes.

I believe in Catholic Schools because I want to raise up "superheroes for Christ," who will help Him, save the world!

That's the gift of a Catholic school – it is group of good people, a place of faith and learning where we discover Christ in everything we do. Even when the world seems torn apart and confused, it is through our educating the future superheroes for Christ that is what will enable us to get through and build a future of joy and hope for one another.

I am proud of our school and so should you be, as well!!!

God Love Ya!
Fr. Reilly

Parish Religious Education Program

Dear Families,

In today's Gospel, St. Matthew tells us that after John the Baptist was arrested, Jesus went to Capernaum by the sea to bring His light to people who were sitting in darkness.

This is when Jesus saw Simon/Peter and his brother Andrew who were fishing. Jesus asked them to follow Him and become "fishers of men". Which they did along with brothers James and John. What does it mean to be "fishers of men?" It means that all of us should be telling people about our Lord and the joy He brings us as well as inviting them to happenings at our Parish.

What ideas to you have to be a fisher of men????

Miss Michele

CALL FOR A Hero

Brett Wenger, born and raised in Delco (Upper Darby PA) - a proud member of the St. Lawrence and Highland Park community - needs our prayers and the help of a hero. Many know him from his years with the Highland Park/Kirkland Athletic Association, where he followed in his father's footsteps. He's the proud husband to his wife Solange and loving dad to his two sons, Tyler and Matthew. Brett has been recently diagnosed with liver failure and is now in need of a living donor to save his life. The wait for a deceased donor can take years and time is our biggest enemy, however there is hope.

Scan the QR code for additional information on how a Living Donation Works. If you chose to help, use this QR code to begin the process. Please be sure to note Brett Wenger as the liver recipient.

Share Brett's story,
Pray for Brett, Solange, Tyler and Matthew
Let's help Brett get healthy again with his family, friends, and his church. Together we can find the hero he needs.
