Medical Emergency Release

In case of a non life-threatening medical emergency as determined by staff and volunteers, we will first attempt to contact parents/legal guardians, followed by the provided Emergency Contact number. In the case of a major or possibly life-threatening emergency, as determined by the Saint Thomas Becket Parish Staff and volunteers, a police vehicle or ambulance may be called to transfer your child to a hospital or emergency services. Priority will be given to the preferred hospital provided on your registration if possible, but this is not guaranteed. By signing below, you acknowledge that Saint Thomas Becket staff and volunteers are not medical professionals, and you release Saint Thomas Becket Parish, staff, and volunteers and the Archdiocese of Saint Paul and Minneapolis from any and all liability in the case of injury, illness, or death of your child(ren) participating in parish programs.
