worship, service, evangelization &  
community for the benefit of all.*

# Pastor's CORNER

My dear Brothers and Sisters in Christ,  
May Christ, the Crown of All the Saints, guide and strengthen you this week!

As we get ready to Give Thanks, I thought I would take this opportunity to thank two wonderful ladies, Julie Hermann and Allyson Svigelj, for their AMAZING service to our parish as music director and adult faith formation director, respectively. Both were incredible in their assistance to me as I transitioned to this great parish of ours. As Bishop Doran often reminded us, for the priest, an assignment is a vocation; for a lay employee, it is an a-vocation. Both Allyson and Julie told me that the jobs that they were initially hired to do, no longer suit their families, which of course, must come first.

I am grateful to Sarah Wright for stepping in as our new music director and to our diligent staff for absorbing most of Allyson's duties "in house," as it were. In moments of transition like this, I always remember, there is only one Person Who is indispensable to this parish, and He is locked in the tabernacle. The rest of us, come and go.

To think, Election Day is finally here! One more principle of Church social teaching. Subsidiarity. Subsidiarity applies on both the Church and civic levels. In the Church, we say "higher authority assists lower authority in fulfilling its function." As your pastor, it is my job to empower and support you as you live your vocation; please continue to pray that I can do that better and better. Likewise, the Bishop assists me in assisting you, and the Pope assists the Bishops of the Catholic world. On the civic level, this rule was beautifully stated by British former Prime Minister Margaret Thatcher: To have the State as servant and not as master. The leadership work for us, not the other way around. Also, if local government can efficiently fulfill a need, the federal government is not to interfere. Likewise, if groups (including our Church and parish) are fulfilling needs, the government ought not interfere. Perhaps an example, the Crystal Lake food pantry. Local churches (including our own) have joined together to establish and provide for it. Notice the City supports it, but does not insist upon taking it over. What can be done well locally, ought to be done so. One thing I did last time I voted, I made the Sign of the Cross before I started marking my ballot. Please consider doing the same, as voting according to conscience certainly glorifies God. Until next week, know that I remain

Yours in the Heart of Christ,  
Fr. Evans

Saint Charles Borromeo's Story; The name of Charles Borromeo is associated with reform. He lived during the time of the Protestant Reformation, and had a hand in the reform of the whole Church during the final years of the Council of Trent.

Although he belonged to the Milanese nobility and was related to the powerful Medici family, Charles desired to devote himself to the Church. The untimely death of his elder brother brought Charles to a definite decision to be ordained a priest, despite his relatives' insistence that he marry. Soon after being ordained a priest at age 25, Borromeo was consecrated bishop of Milan.

Working behind the scenes, Saint Charles deserves the credit for keeping the Council of Trent in session when at several points it was on the verge of breaking up. He allotted most of his income to charity, forbade himself all luxury, and imposed severe penances upon himself. He sacrificed wealth, high honors, esteem, and influence to become poor. During the plague and famine of 1576, Borromeo tried to feed 60,000 to 70,000 people daily. To do this he borrowed large sums of money that required years to repay. Whereas the civil authorities fled at the height of the plague, Work and the heavy burdens of his high office began to affect Archbishop Borromeo's health, leading to his death at the age of 46.

November is the month of the Saints and the souls.

November 1st we honor the church triumphant. All those who have served the Lord and even in some instances gave their life in defense of their faith. We honor these men and women on All Saints Day for their dedication and perseverance in following Jesus. November 2nd is known as All Souls Day. This is the day we honor the church penitent. We pray for all those souls that have passed and have yet to attain heaven, the poor souls in purgatory. Here are some ideas for observing these feasts and honoring those Christians that went before us: Research your patron saint (who you are named after...or have a devotion to...learn about their life and special charisms). Make a home altar to honor those members of your family who have passed. Place a photo and items that represent them on a table. Add a candle and pray for them each day throughout the month. Prepare a dinner in their honor and cook their favorite foods. Create your own family Litany of Saints. This can be done by choosing saints that are significant to your family and praying it together. Is someone in your home named Frank or Tom? Saint Thomas, pray for us. Saint Francis, pray for us. Visit a cemetery with you children and pray for all those who are buried there. It only takes a few minutes (you don't even need to get out of your car) but your children will remember this act of mercy. You could even borrow the movie "the Book of Life" from the library and view it with your children. However you choose to observe the month remember to pray for those in most need of His forgiveness.

1 de noviembre de 2020 Todos los Santos

¡Llamados a ser santos! Dios nos invita a ser santos y santas. Personas de todas las razas, culturas y épocas han vivido de tal manera la santidad, que se han acercado a Dios en sus vidas por medio de la santidad. Se necesita valor para tomar este camino cristiano. Los santos y santas que conocemos nos lo demuestran con el ejemplo de su vida. La santidad también es una invitación a ser dichosos, a vivir felices de acuerdo a las bienaventuranzas. Cuando Jesús las pronunció, eran su vivo retrato de lo que él vivía en su tiempo histórico.

La humildad y la entrega a Dios en la vida de todos los días, hace al santo/santa. No es algo extraordinario solo basta con hacer las cosas de cada día con amor y entrega generosa. Vivir en comunión con los del cielo y con los de la tierra. ¡Ese es el reto! Lo demás, Dios da la fuerza. Los santos y santas que celebramos hoy vivieron como nosotros; pero, algo los distingue y es la fidelidad a Jesucristo. "Y si es esto lo que esperamos de él, queremos ser santos como él es santo". (1 Juan 3:3). ¡Un reto nada fácil ser santos como Dios lo es! En esta Eucaristía, damos gracias al Señor por todos los santos y santas que ya gozan de su felicidad en el cielo y, aunque no estén en los altares, están gozando de Dios plenamente. Por eso cantemos felices las palabras de Jesús. "Felices los que lloran, porque recibirán consuelo. Felices los que tienen hambre y sed de justicia, porque serán saciados". (Mateo 5:1-12). ©LPi
